The Best of
Luck To a
sweet friend Eunice

With the opening of a new school five years ago the students and faculty began to share a common goal—the acquisition of knowledge. Resulting from this sense of direction have been busy years of academic and extracurricular growth.

In reflection, the '64 EMBERS commends the foresight of the early leaders who established the philosophy of the school in the motto: Knowledge is the Key to Tomorrow.

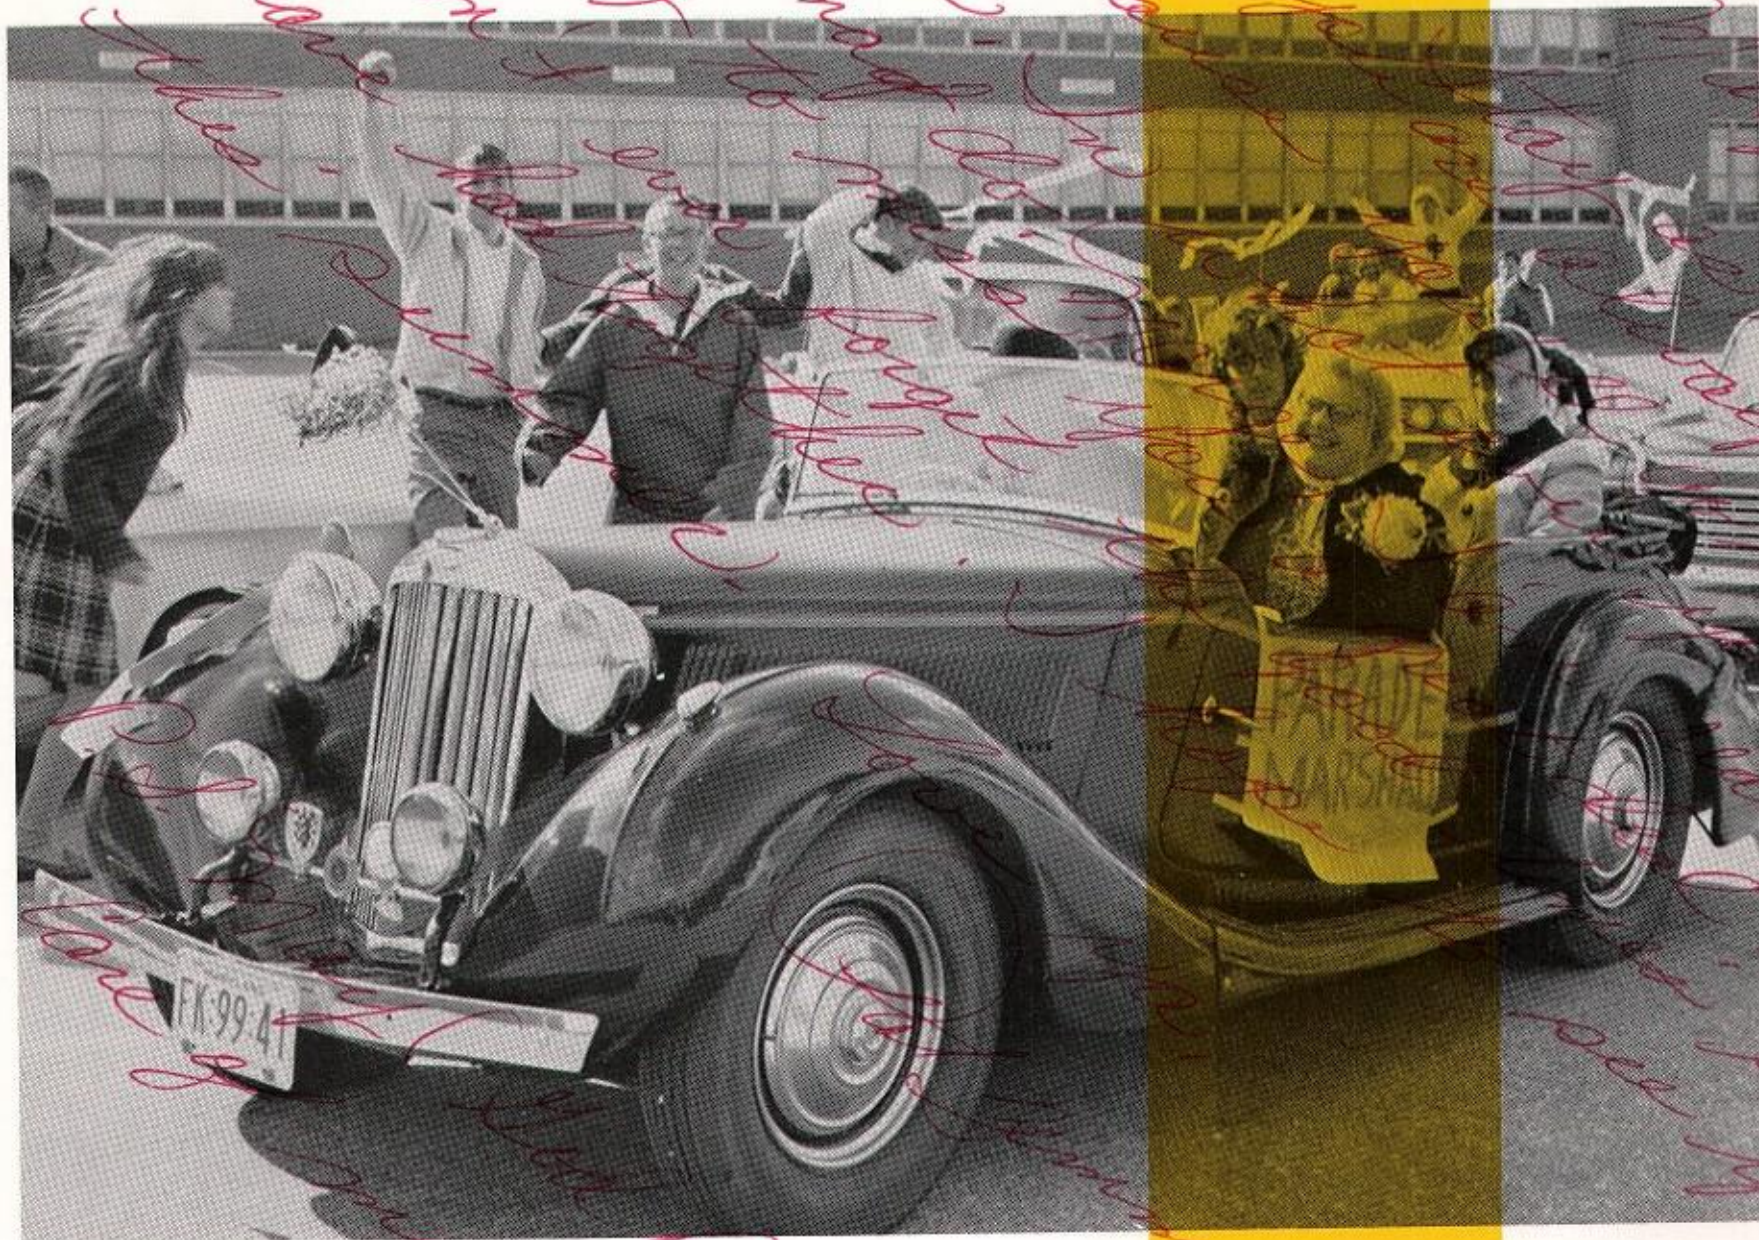

Many students fail to realize that the impetus for all self-expression is the quest for knowledge. EMBERS recognizes this force to be the core of the educational process and portrays the desire for truth with the universal symbol of knowledge—the key.

Dedication

Developing an effective Student Council has been the challenge of Miss Nancy Wayson, who has sponsored the governing body of Severna Park High School for five years.

Miss Wayson's patience and sense of humor were greatly appreciated during the wearing hours of preparation for the state student council convention, which highlighted the school's student government activities.

The devoted effort and personal concern displayed by this conscientious individual seem little rewarded by this honor.

The '64 EMBERS, its staff and editors, extends its gratitude, honoring . . .

MISS NANCY WAYSON

The 1964-65 Advanced Placement Modern European History class

Art Department

The Art Department instills in students an appreciation and understanding of the fine arts. Creativity is stimulated through instruction in a variety of media: painting, ceramics, sculpture, pen and ink, sketching, and graphics. These skills are frequently called upon to contribute to school appearance and provide publicity for school activities.

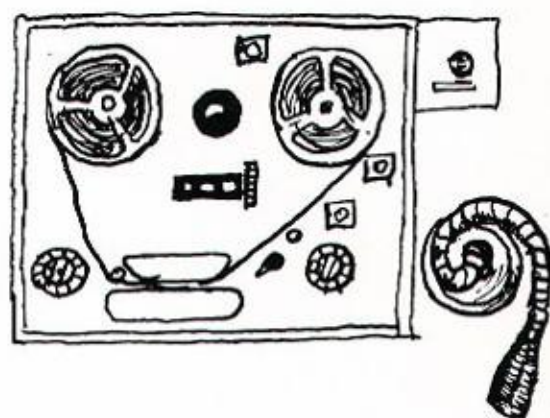

Business Department

Experience is a major qualification in today's business world. The Business Department offers the practical experience that is so strongly required; however, the students are not spared "book learning." Office practice, bookkeeping, shorthand, and typing are administered as courses necessary for a well-rounded business education.

English Department

The chief aim of the English Department is to encourage students to become efficient communicators of the English language. This end is supplemented by the desire to improve reading enjoyment and analysis and to increase awareness of the functions of language. The best examples of effective English can be found in the varied forms of literature thus the English courses are based on the study of the novel, short story, poem, play, and essay.

Foreign Language Department

The Language Department offers an understanding of foreign people, their customs, and histories. Courses progress from beginning grammar to characteristic literature. The modern language lab aids in the teaching of comprehension and pronunciation of French and Spanish. Courses in Latin develop appreciation of classical civilization.

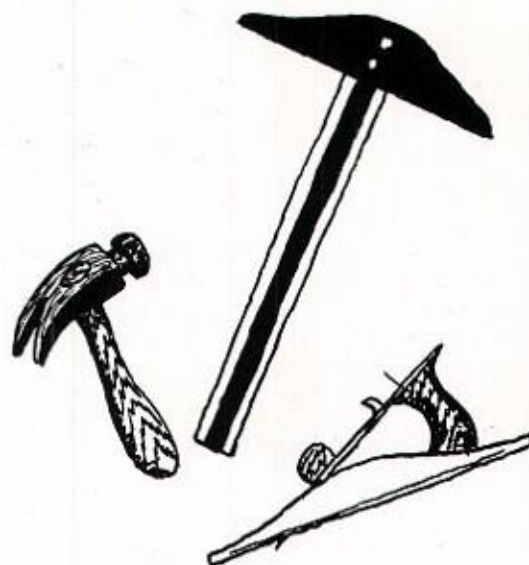

Home Economics Department

The Home Economics Department provides students with valuable experience in the art of homemaking. Instruction is given in sewing, cooking, nutrition, and child care. These practical skills are developed through the use of a cooking lab and sewing projects. The department sponsors a child care program, which is attended by neighborhood children.

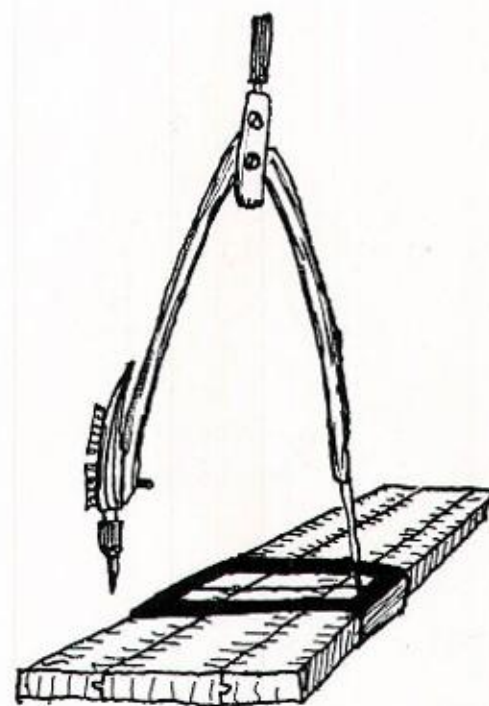

Library

As the focus of all collected knowledge, the library amply covers all material introduced in the high school course of study. For conscientious students it provides a source of reference material, supplementary reading, and fictional literature.

Industrial Arts Department

The Industrial Arts Department encourages the formation of co-operative attitudes among the students. It develops an interest in the arts of industry whether the students use them in the future as a vocation, as a hobby, or as a background for advanced fields of endeavor. Different levels of mechanical drawing, metal work, and wood work are available to all Jr. and Sr. High boys. Industrial arts courses are required in both the 8th and 9th grades.

Math Department

The Math Department strives to develop logical thinking and the ability to analyze problems. General math, algebra I and algebra II complete the maximum math requirements. Plane geometry, trigonometry and algebra, and advanced math are additional courses which provide a sufficient background for further mathematical programs.

Music Department

The Music Department endeavors to give students a general understanding of music and to provide an opportunity to participate in instrumental and choral ensembles. General music and instrumental music are offered on the junior high level, while band and chorus are presented to senior high classes. The junior high band practices before school; the senior high band rehearses during the regular school day. When the needed instrumentation is available, an orchestra will be organized. The Music Department also sponsors the annual Variety Show.

Science Department

The courses offered by the Science Department develop within the student a scientific attitude. They provide the basis for an appreciation of nature and help illustrate the value of science today. The studies also acquaint the student with the vocational opportunities in the science field. General science, biology, and chemistry complete the required science credits, while zoology and physics are optional courses.

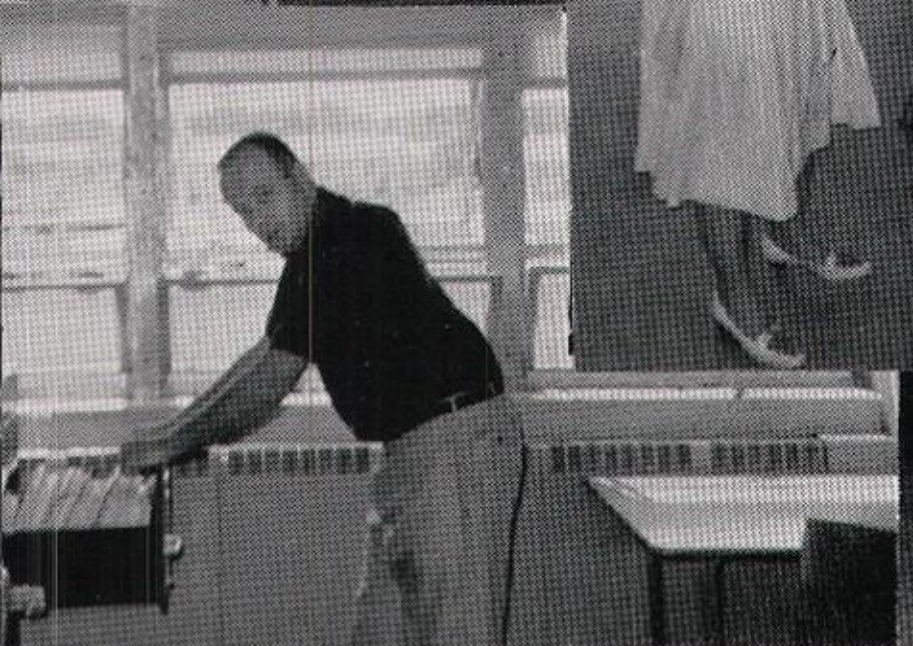

Physical Education Department

The Physical Education Department provides an opportunity for students to participate in athletic activities. The classes are introduced to such sports as; football, basketball, softball, wrestling, hockey and gymnastics. Although only eighth and ninth grade students are required to participate in the physical education program, the course is available to students in all grades.

Social Studies Department

An understanding of the present can be gained through a study of the past. Based on this theory the Social Studies Department offers a diversified program in the study of past events and their effort on today's society. World History, U. S. History, Civics and P.O.D. are required studies, the last two exploring the principles of modern government. Economics is an optional course while Modern European History is a college level history course.

Sophomore Class

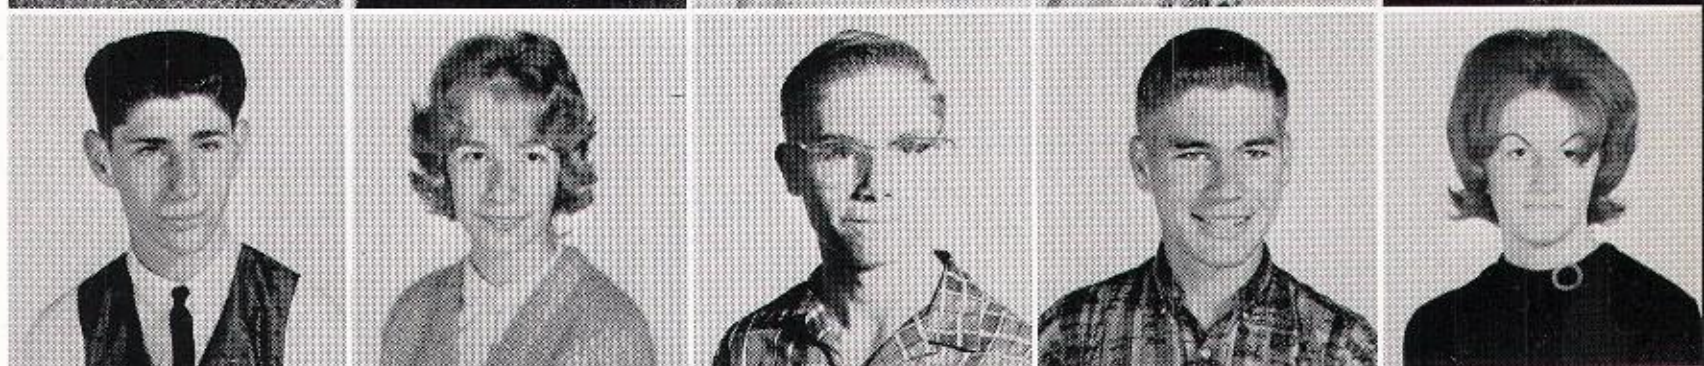

SOPHOMORE CLASS OFFICERS—Keith Madsen, president; Bob Shade, vice-president; Judy Dam, secretary; Pam Moxley, treasurer.

The Class of '66 has shown a tremendous increase of school spirit and participation in extracurricular activities. A little surprised at being cast in the role of jayvee and varsity athletes, the sophomores soon became accustomed to senior high life. The sophomores sponsored bake sales, after-game sock hops, and carried on the tradition of the Sweetheart Ball. The sophomores initiated a new tradition in Slave Day where a tag is purchased by a boy and given to a girl. The girl is his slave for a day and performs such tasks as carrying books, buying lunch, opening lockers and doors, or any other service the boy desires. In future years the Sophomore Class hopes to continue to be a vital part of Severna Park High School.

Freshman Class

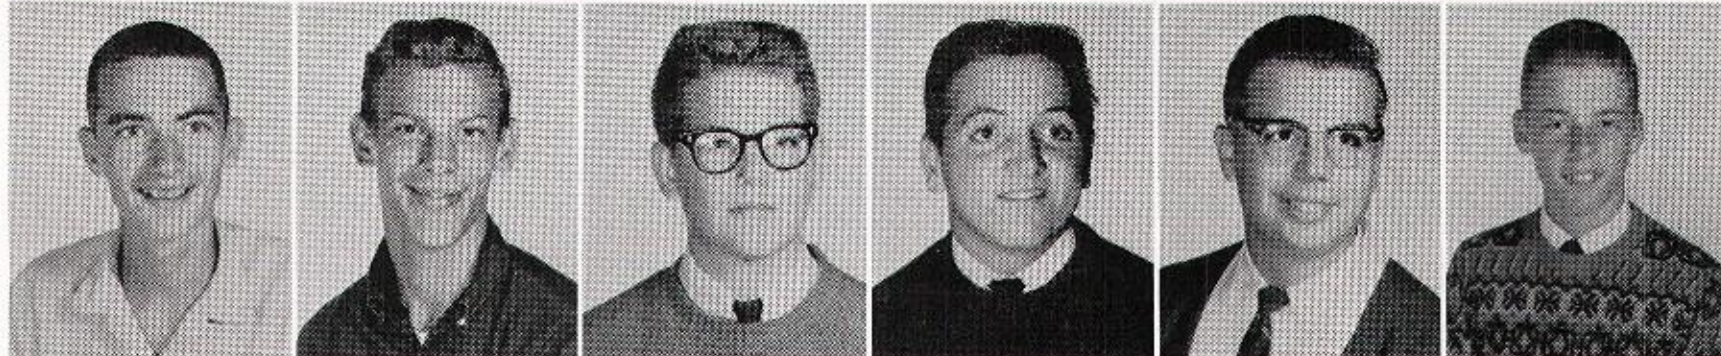

FRESHMAN CLASS OFFICERS—Lionel Hunt, president; Marian Dudley, secretary; Michele Jablin, treasurer; and Phil Kim, vice-president.

These four officers led the progressive Class of '67 through a successful year and gained valuable experience in handling the business of the class. The freshmen sponsored many activities including The Apple-for-a-Teacher contest and bake sales. Freshman Day gave the ninth graders who purchased tags many privileges and helped to promote class spirit.

Eighth Grade

EIGHTH GRADE CLASS OFFICERS—Laurie Leydic, vice-president; Kevin Rhorbach, president; Margie Leydic, secretary; and John Jarnigan, treasurer.

The Class of '68 is the newest addition to Severna Park High School. The above officers were elected in September to initiate the traditions of their class. Kevin Rhorbach and Laurie Leydic, having served as president and vice-president of the Benfield School Student Council, brought executive experience to their class. Evoking a tremendous amount of school spirit, the eighth grade has become accustomed to the hustle and bustle of high school activity. Currently their thoughts wander toward future years of course selection, jayvee and varsity athletics, and not being the youngest group in the school.

Sports Provide the Key to Teamwork

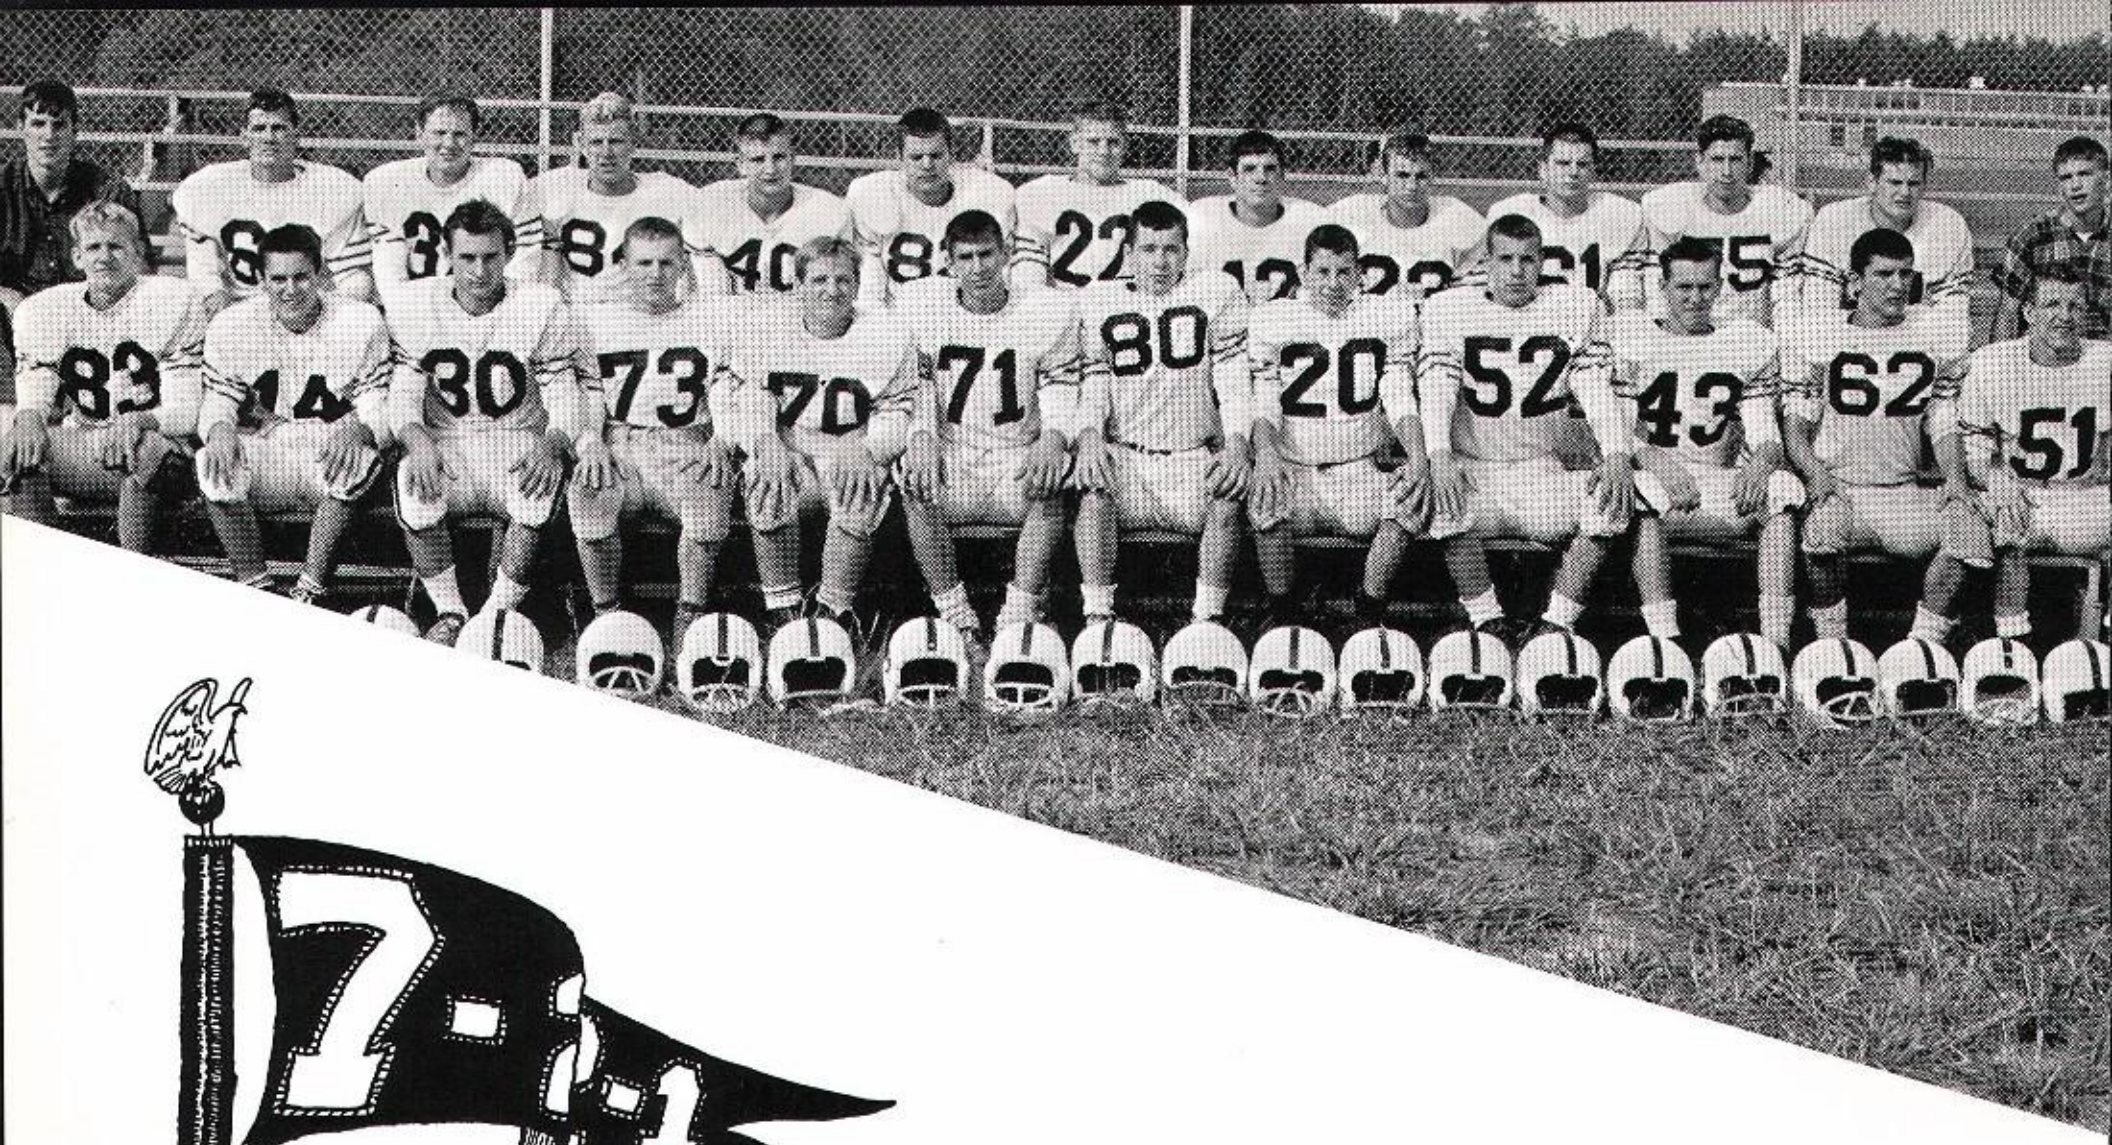

Despite the shorter skirts of the majorettes, the cheerleaders still hold their envied position at Severna Park. Every game saw these talented girls cheering the team on and promoting sportsmanship among the spectators. The girls are chosen each spring for their pep, ability, and attitude toward their school. They were largely responsible for the increase in school spirit this year.

Junior Varsity Cheerleaders, standing: Louise Witherite, Joan Sakers, Meredith Mullins, Judy Knight, Debby Windsor, Marsha McKinley. Kneeling: Pam Moxley and Leslie Hatchard.

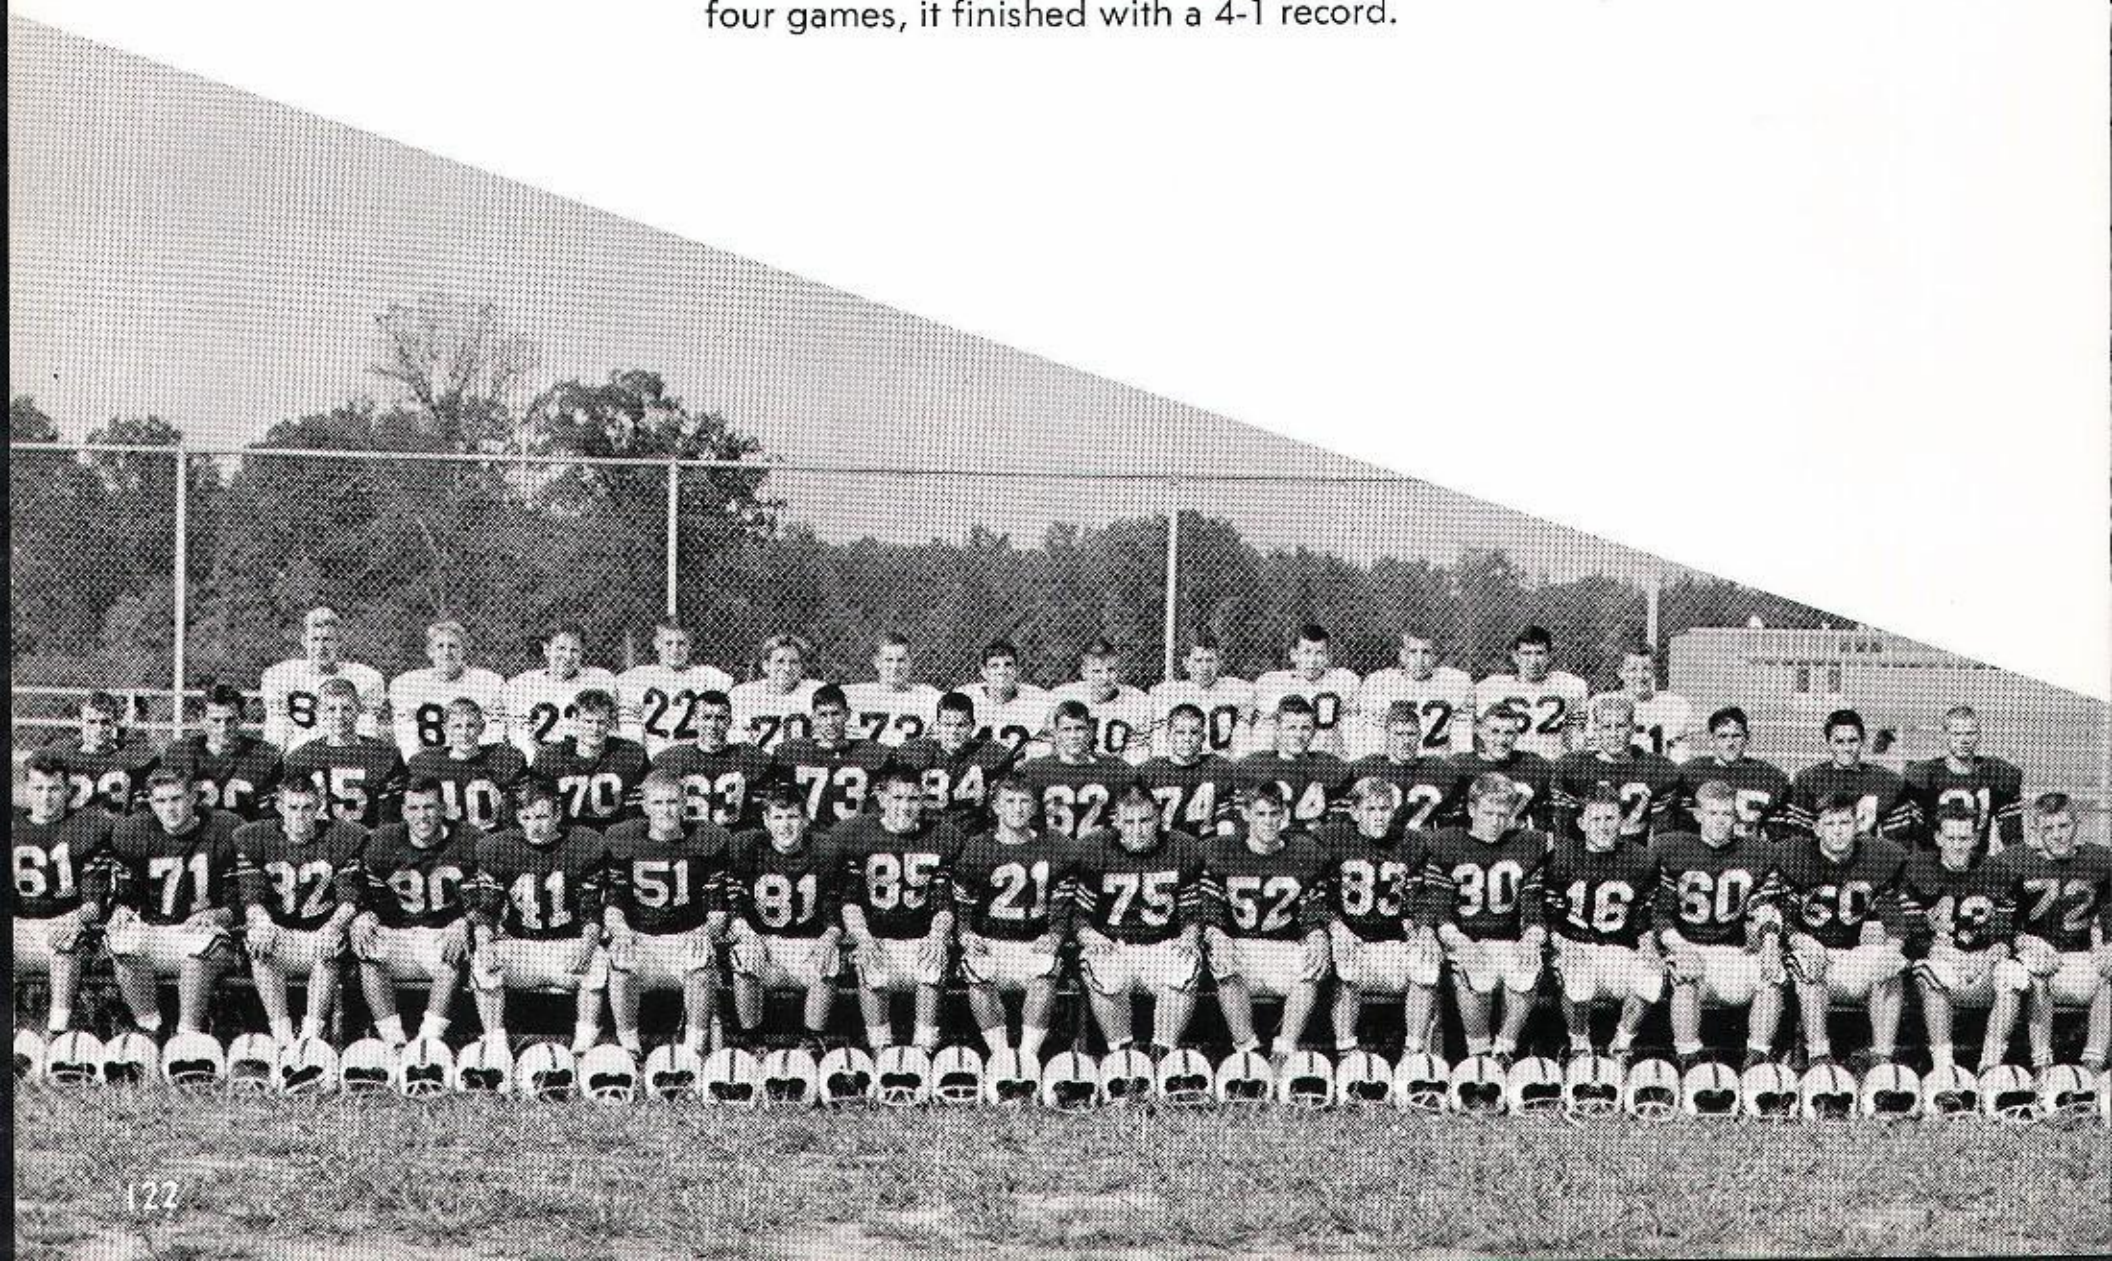

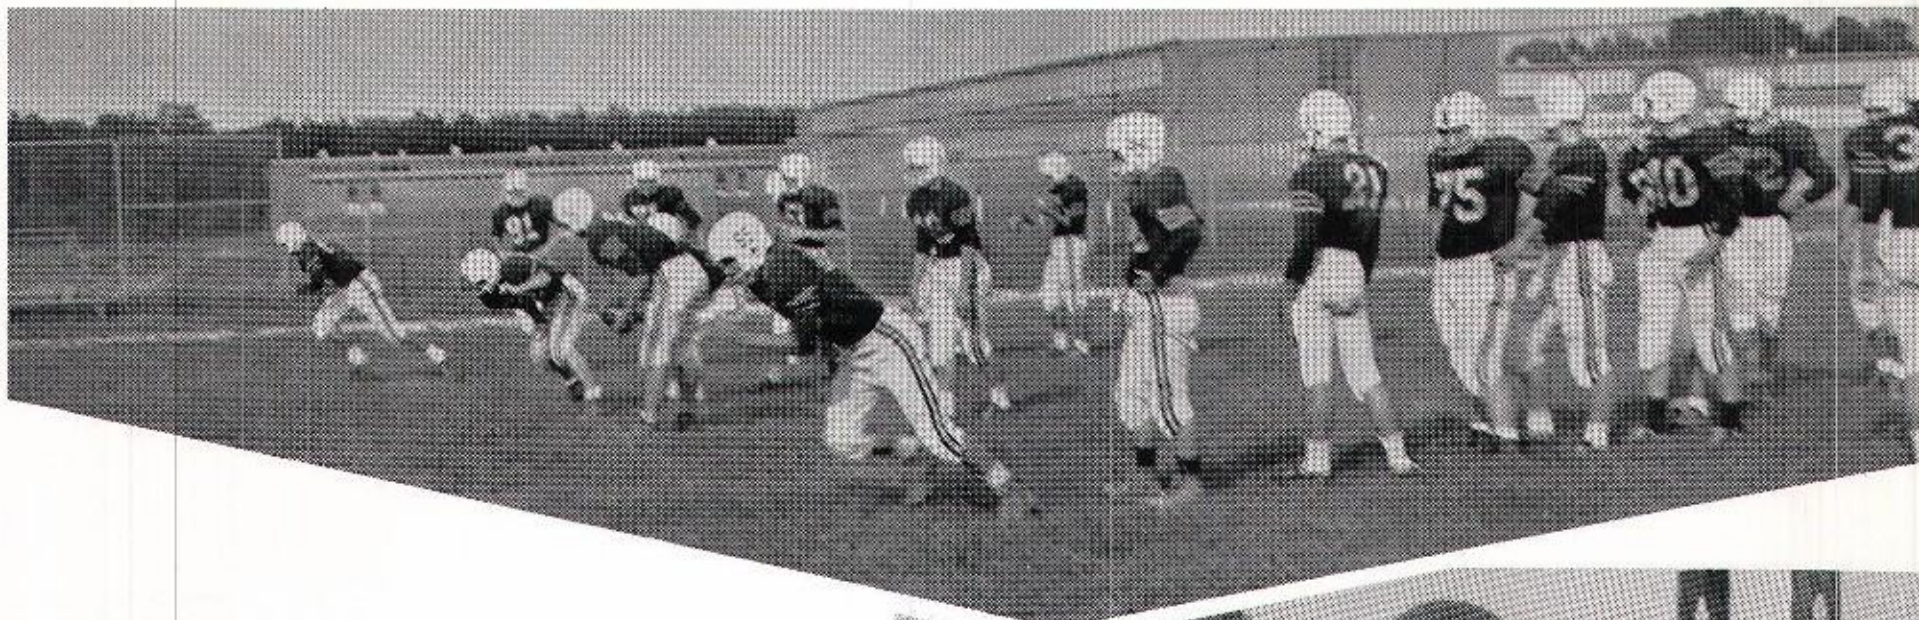

Varsity Cheerleaders, standing: Diane Magalis, Andy Fisher, Janice Davies. Scrunched: Dianna Knight, Kathie Underwood, Debby Rohrbach, Francie McNulty and Bonnie Briddell.

With ten lettermen returning from last year's team, the 1963 Falcon Gridders ground-out the school's best record to date. Their seven wins, two losses, and one tie brought them a third place in the county, behind the tied champions Annapolis and Andover. Chosen from Severna Park by the News-Post for its all-county team were: end Ken Dunn; guard, Al Winterbottom; and fullback, Gary Thall. Showing plenty of hard work and desire, the team was a credit to the school.

The junior varsity also had a successful season. Winning its first four games, it finished with a 4-1 record.

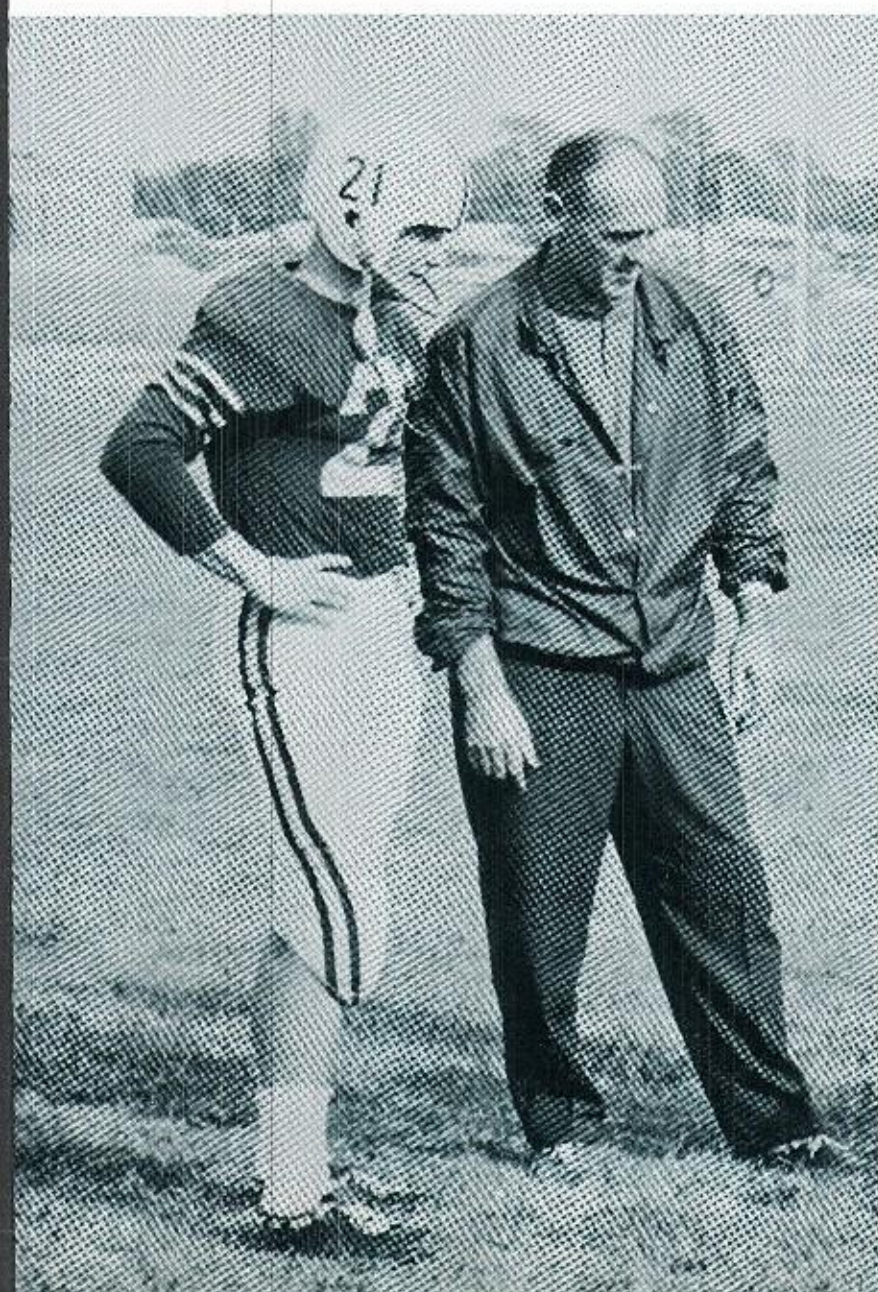

Success has its price, as this year's team found out . . . the hard way. They practiced twice a day during the last half of August and two hours a day after school during the season.

Coaching the team were Head Coach George R. Roberts and assistant coaches Robert E. Leake, Lowell C. Moore, and Andrew H. Borland. Coaches Borland and Moore also headed the junior varsity team.

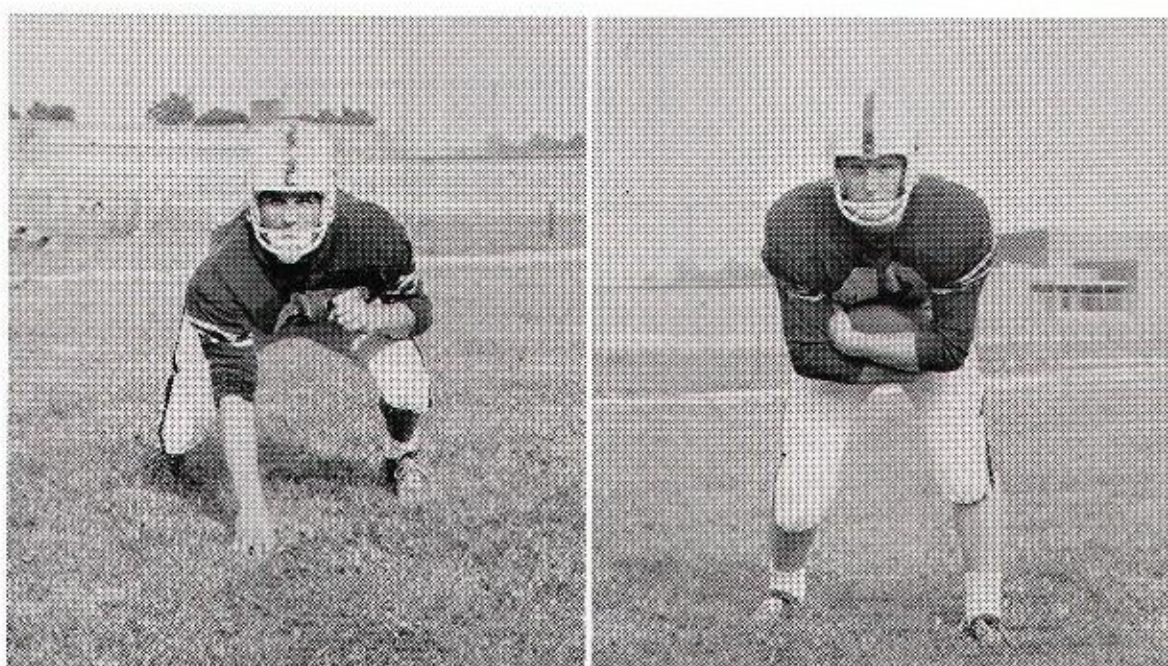

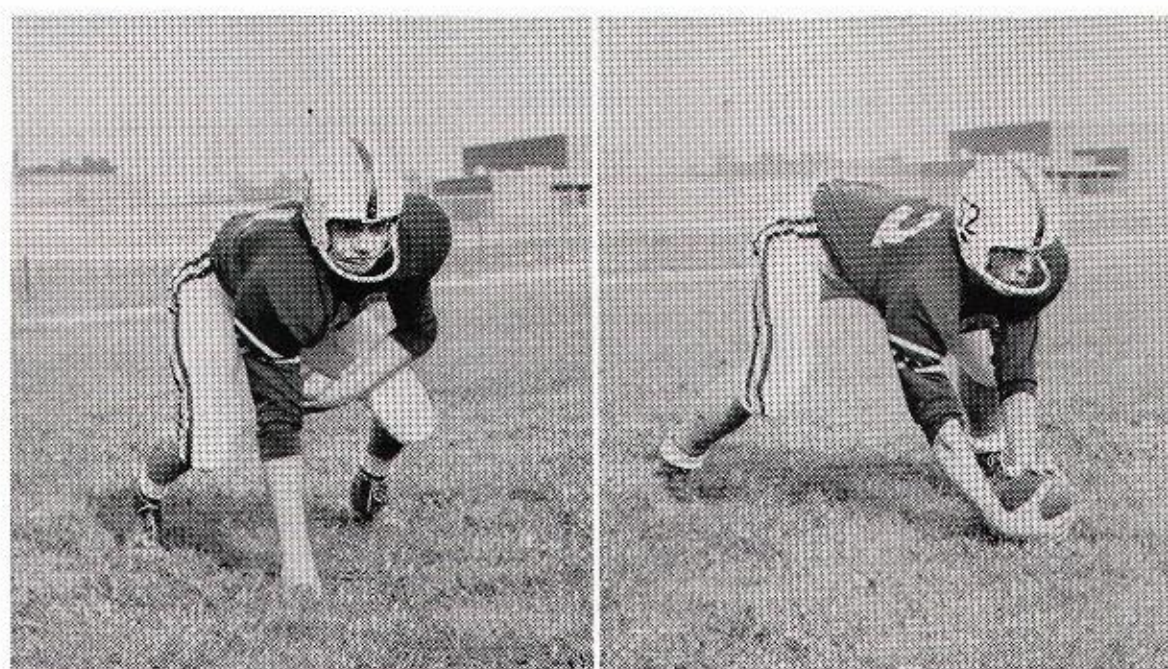

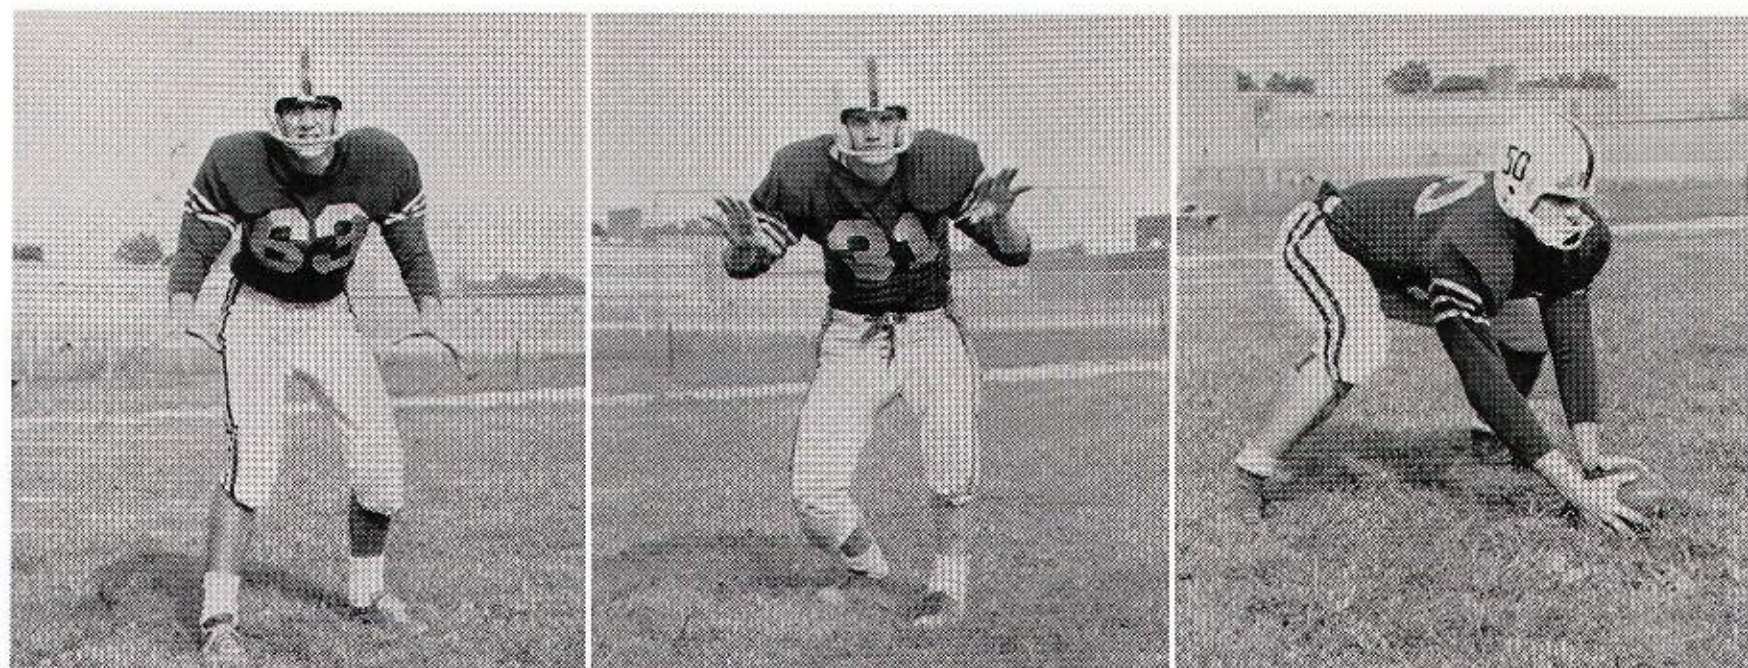

Football coaches pose for EMBERS. They are, from left to right, Coach Leake, Head Coach Roberts, Coach Moore, and Coach Borland.

HOMECOMING 1963—On November 2, Severna Park hosted undefeated St. Mary's on Falcon Field. After the Parkers jumped to an 8-0 lead in the first quarter on a safety and a free-kick runback by Gary Thall, Tom Ratcliff scored twice to give Severna Park its first Homecoming victory.

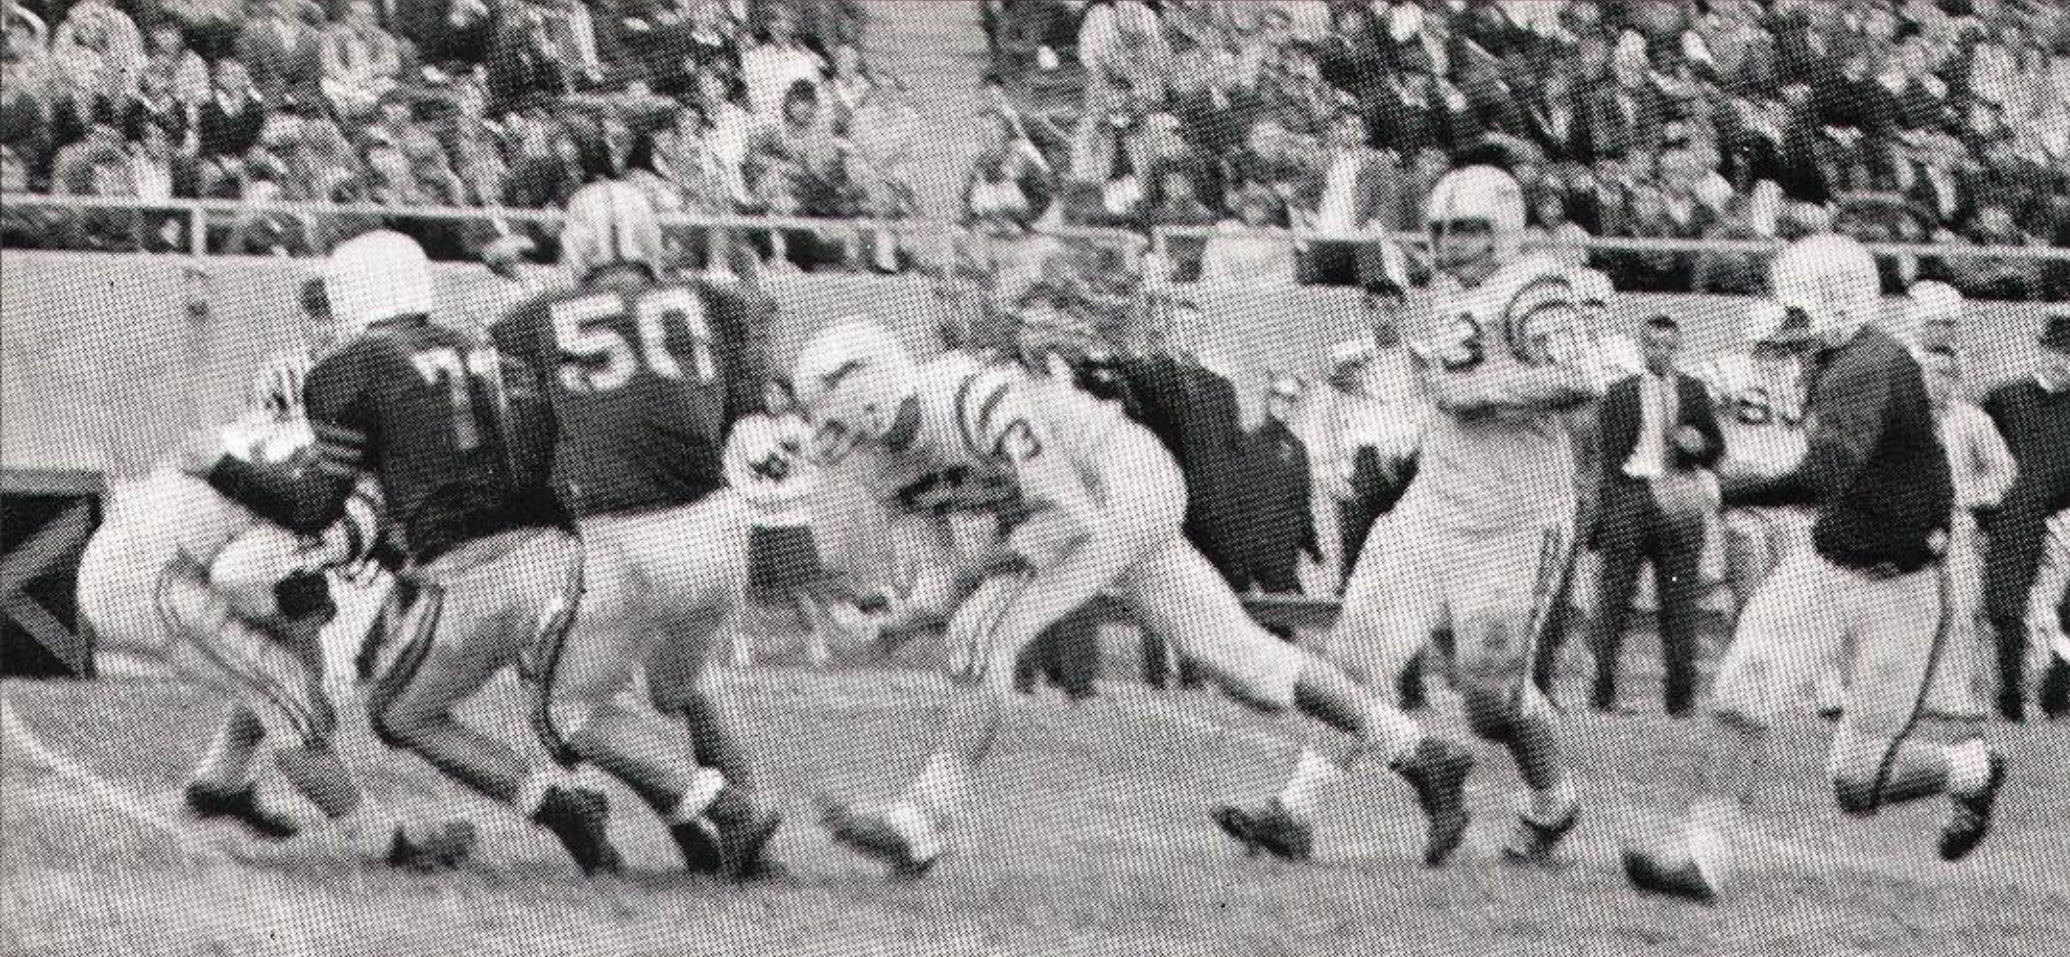

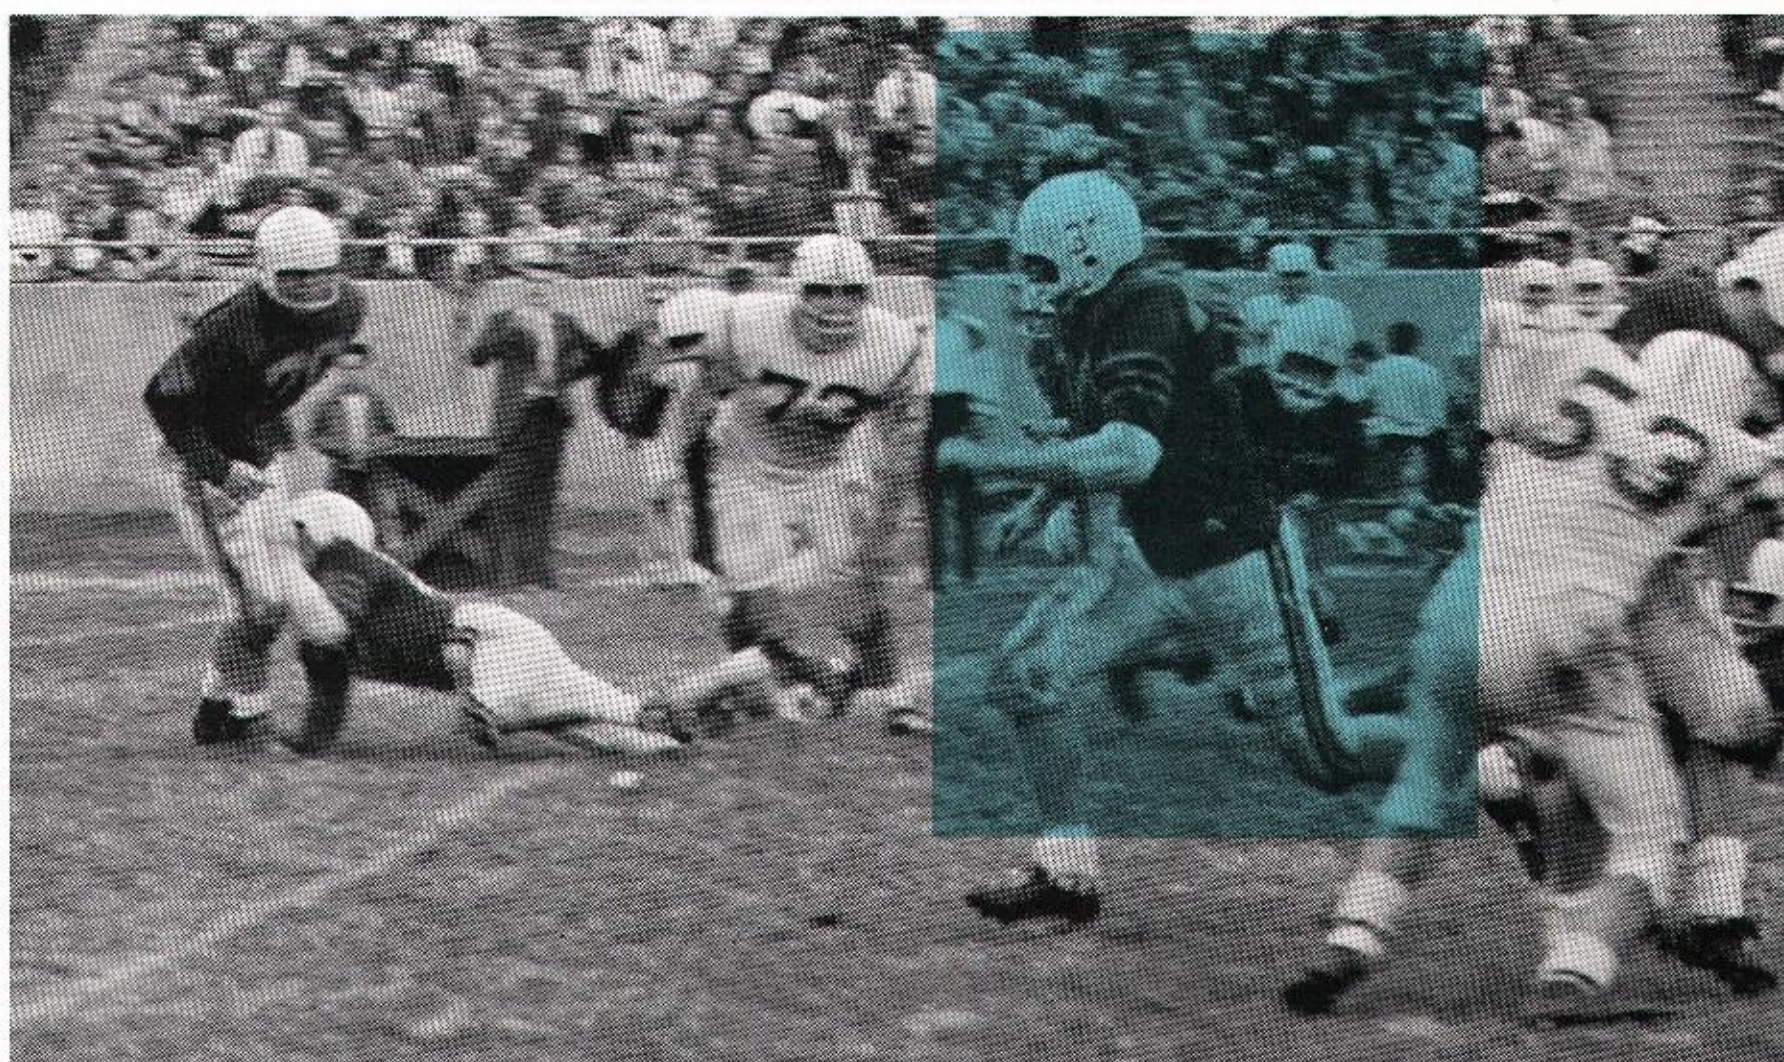

Severna Park	8	7	6	0	21
St. Mary's	0	0	0	0	0

Above, halfback Tom Ratcliff scores on a 40 yard pass from quarterback Dave Swartz during the second quarter of the Homecoming game.

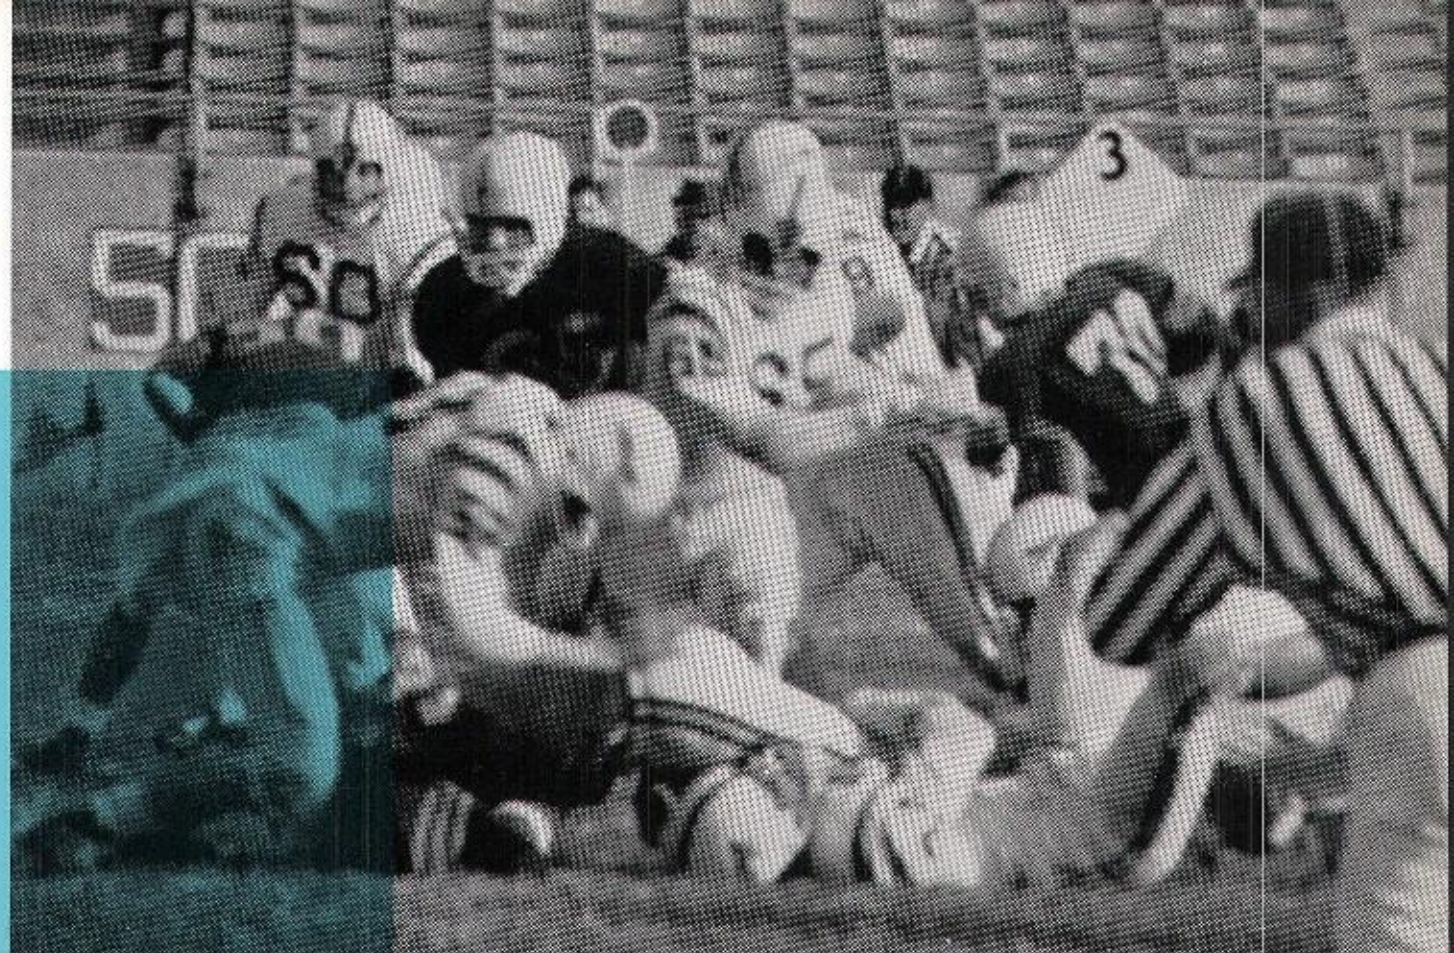

Falcon linemen pull down Annapolis fullback . . . Panther returns the compliment.

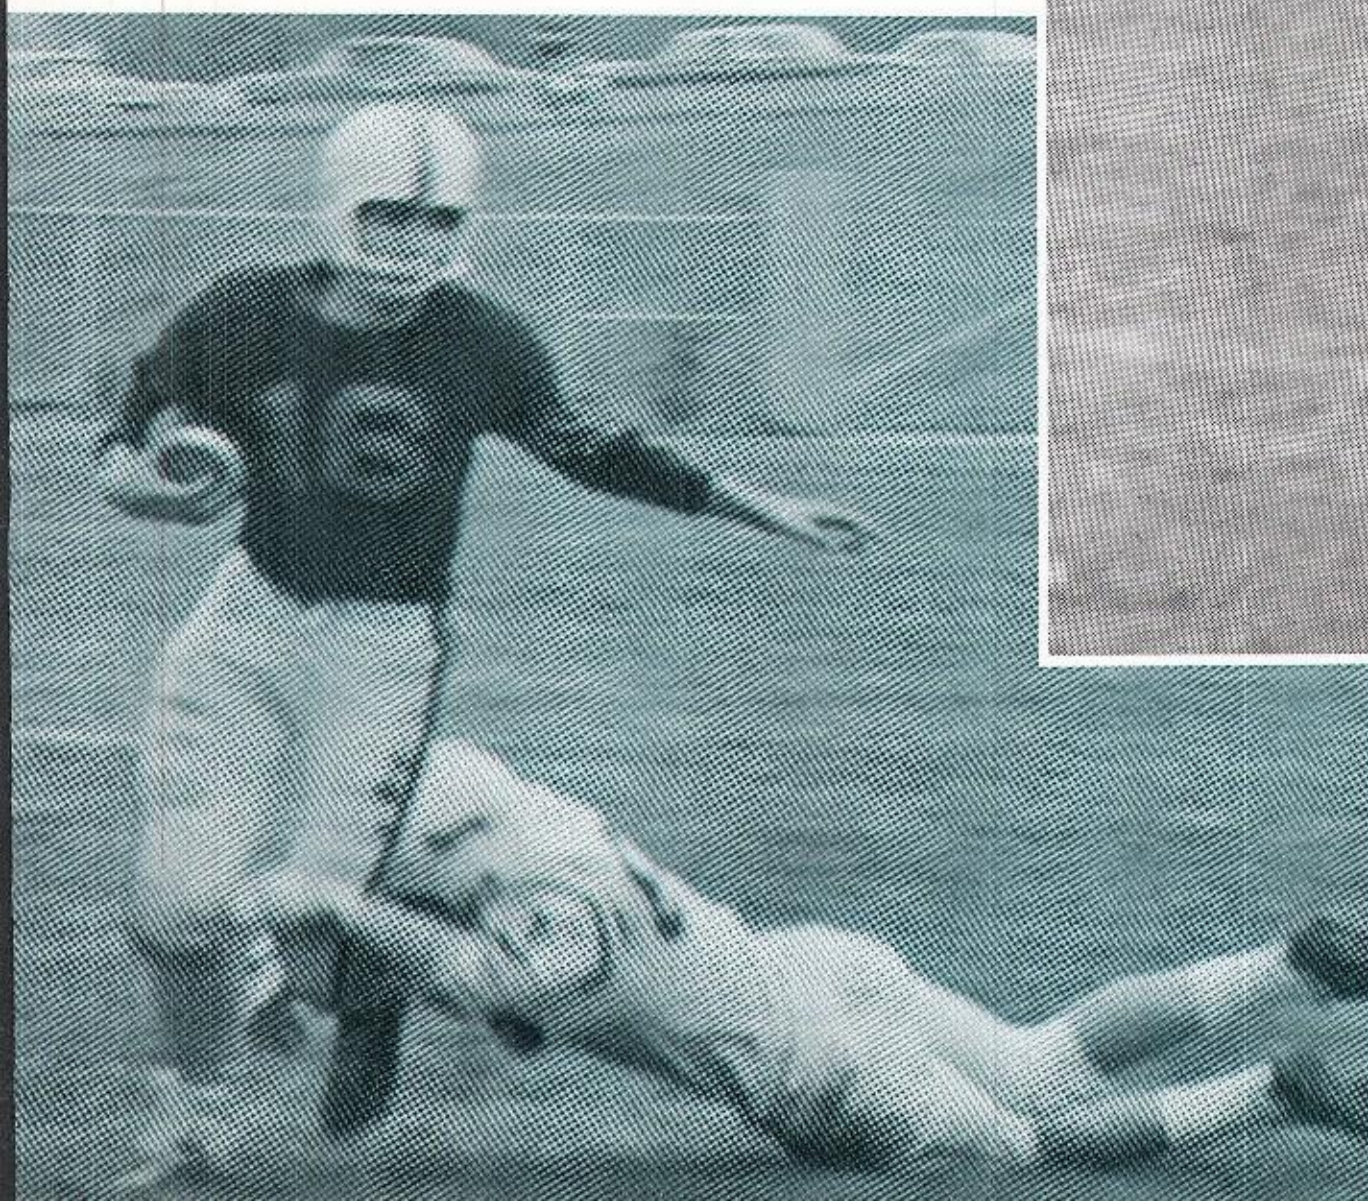

Mox dances on the pigskin . . . the ball shakes loose when Falcon strike.

Charlie Moxley is hauled down by eager Panther in Annapolis game.

Severna Park vs. Annapolis

On Thanksgiving Day, Falcons met Panthers in the first annual Turkey Day Classic, played in the Navy-Marine Corps Memorial Stadium. The day clouded over midway through the game, as did the spirits of the Severna Park fans when the Falcons were trounced 22-0. The event is to be played yearly in the stadium on Thanksgiving Day, with the schools alternating as home team.

Mike Hampe prepares for long punt return.

Dave Swartz weaves his way between Panther defenders.

*Who could forget
this Spay-din-lan*

On November 13, the Senior powder puff team defeated St. Mary's 33-6 and three weeks later creamed the Junior girls 39-0. Larry Abrams coached the seniors and Betsy Garber and Elaine House were co-captains. Also starring for the seniors were Cynthia Walls and Barbara Young on offense and Alby Kwedar and Ann Kluge on defense. The junior girls were coached by Ken Lawson with Bonnie Briddel and Suzanne Johns as co-captains.

Falcons Fudge First Friendship

On December 13 and 14, the Falcons played host at the first Severna Park Friendship Invitational Tournament. Invited were St. Mary's Saints, the Howard County Lions, and the Edgewood Rams.

On December 13, Severna Park lost to Edgewood 55-50 and the Lions defeated the Saints 47-40. The next night the two winning teams faced each other after the losing squads played. The Falcons lost again 64-50 while Howard took the final game 64-56 to place first in the tournament.

After the games, an all-tournament team was selected as follows: (left to right in the picture below) Tom Curley of St. Mary's, Doug Anderson of Howard, Ken Dunn, Fred Fischer of Howard, Charlie Sleichter, and Bob McCone of Edgewood.

In the future the tournament will be an annual event at Severna Park. The same schools have been invited for 1964.

Varsity Basketball, Row 1: Charlie Sleichter, Gary Thall, Robby Garber, Will Davis, Jim Kappel, Alan Widmann. Row 2: Tom Smith, Jamie Kerr, Dave Lord, Ken Dunn, Artie Ebersberger.

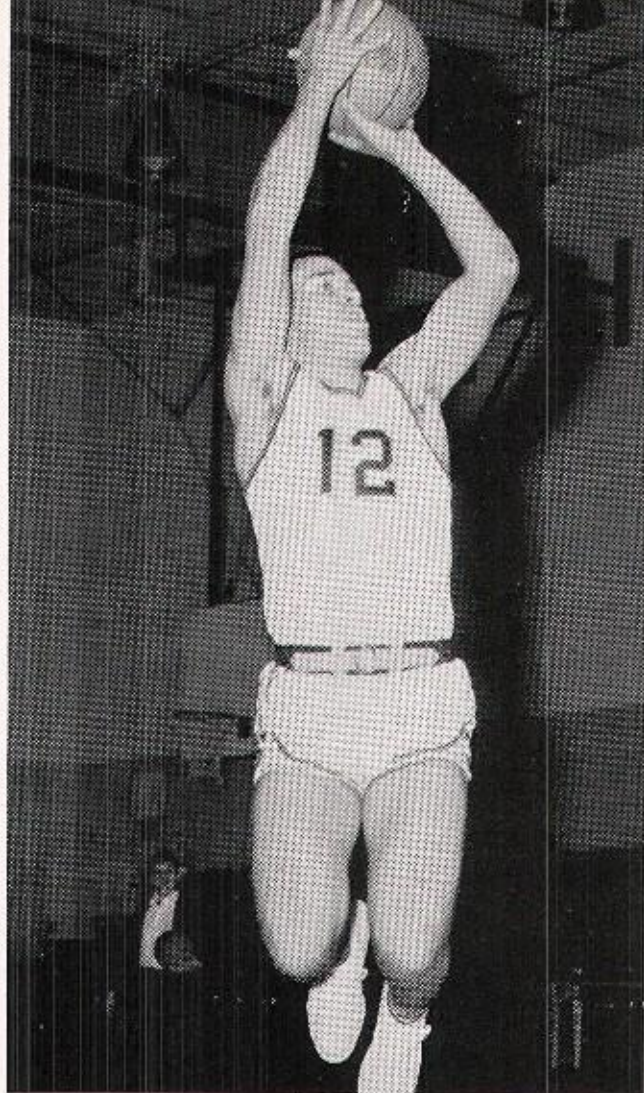

Coaches Perry, Crosier, and Fragale pose for EMBERS photographers.

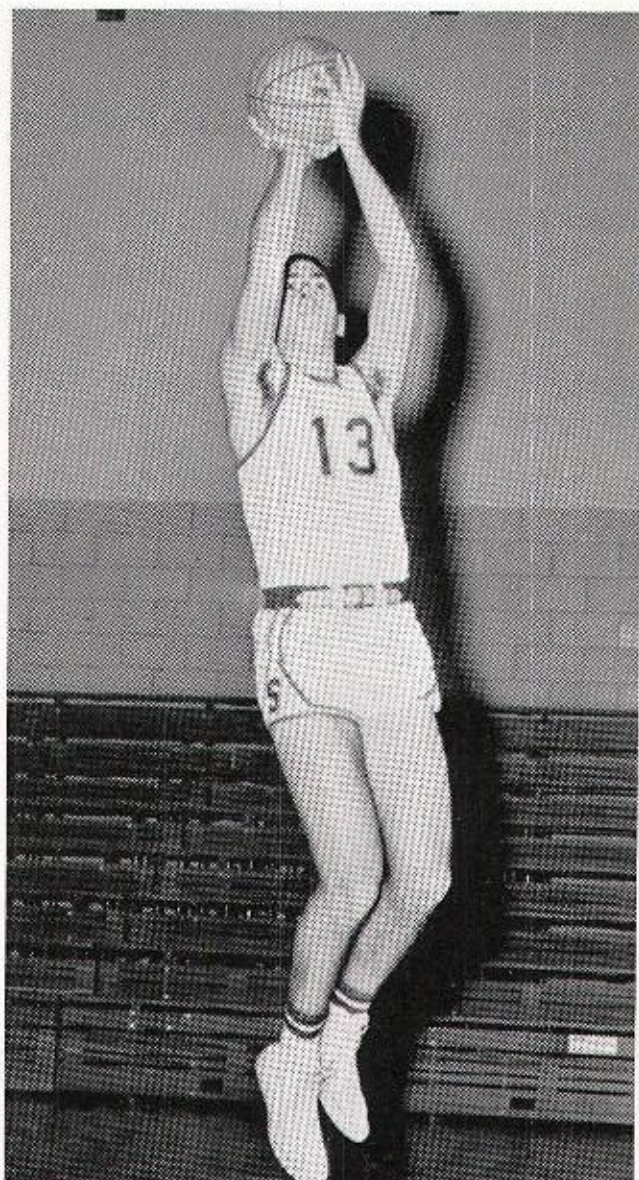

Behind the top scoring of Ken Dunn and the alert rebounding of Charlie Sleichter, the '63-64 Falcon cagers have racked up a 9-4 county record to date and stand third in the county behind Arundel and Annapolis.

They are tied for first in their class and will have it all to themselves if they win over Andover February 25.

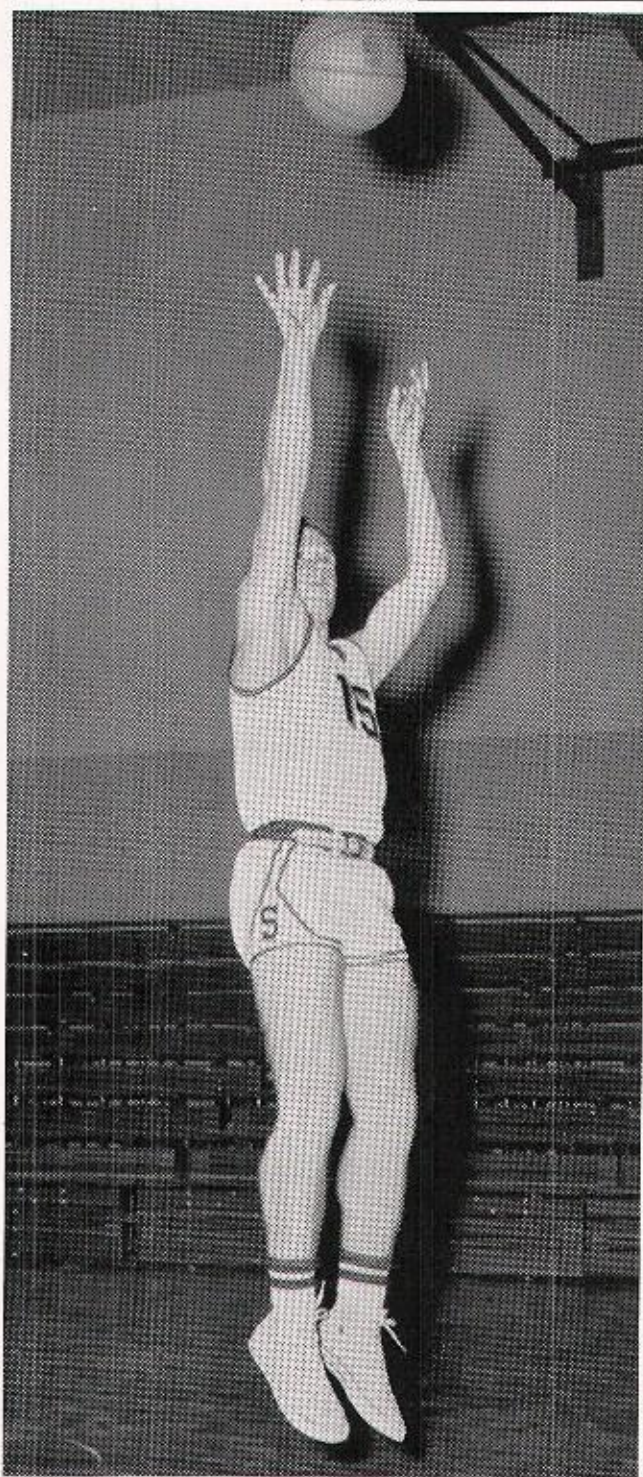

Coached by Mr. Richard Fragale, the team this year for the first time beat the Glen Burnie squad. Their win over Bates was also the first in their history.

Hey, that's three against one!

The Junior Varsity basketball squad, coached by Mr. Carlos Crosier and Mr. James Perry, has a 12-3 record to date. This is the best in their history. Leading the offensive effort were Mark Jacobs, Gary Baker, and Jim Bowersox. Highlights of the season were the game against Annapolis (S.P. 35—Ann. 36), the team's win over Glen Burnie, and the two victories over Marley.

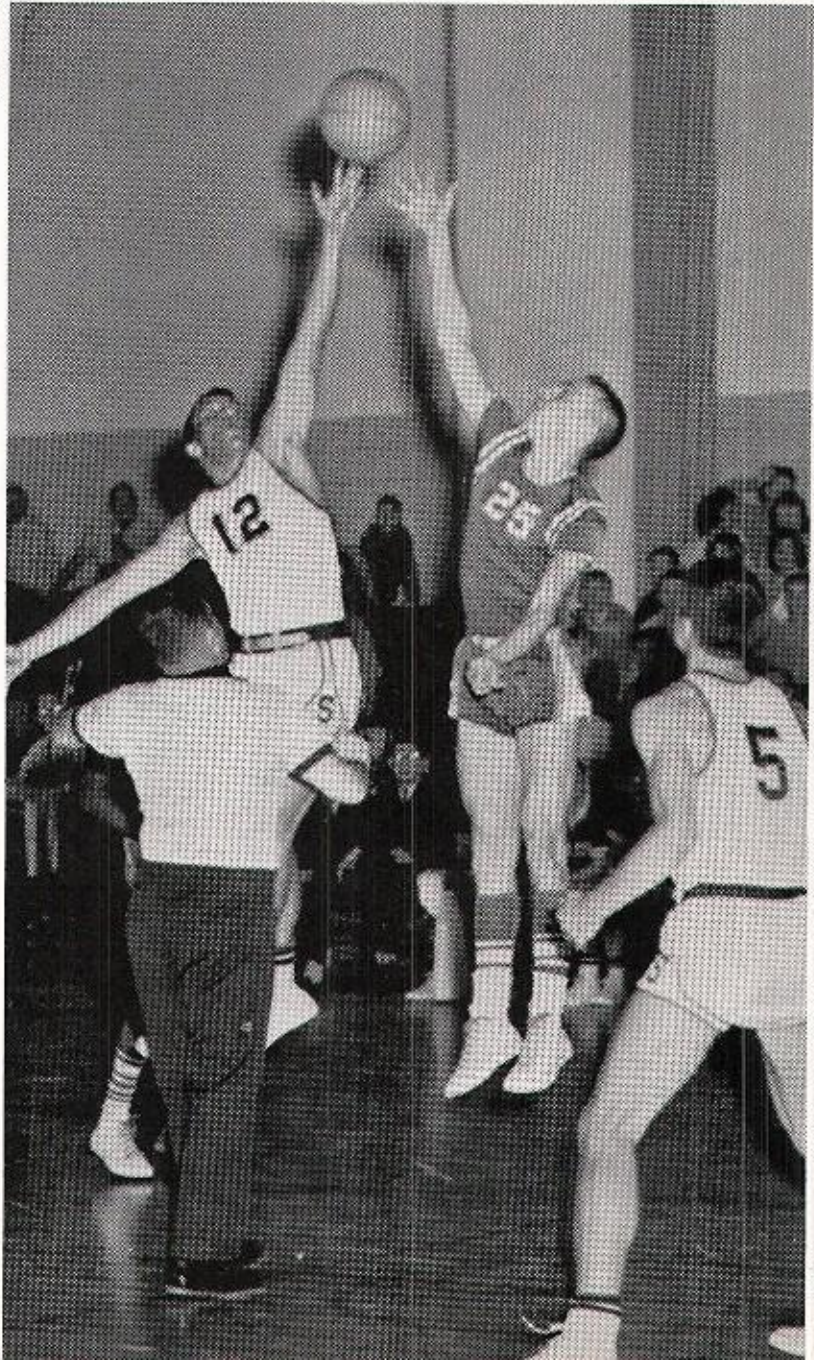

Junior Varsity, Row 1: Craig Perron, Jon Briggs, Bill Mechesney, George Baker, Mark Jacobs, Jim Bowersox, Gary Deprospero. Row 2: M. Cadogan, George Reagen, Bill Emrich, Jim Bethal, Allan Dunham, Russel Roberts, Walden Chitwood.

Charlie Sleichter talks under his breath as all eyes are on his shot.

Coaches Kearney, Borland, and Keedy pose for EMBERS photographer.

Headed by Coach James Keedy and Assistant Coach Andrew Borland, the wrestling squad rolled up a 7-1 record this season. After dropping the opener to Laurel, the Falcons defeated every team they faced. Unbeaten in the county, they were favored in the tournament, in which they took the county championship. Severna Park's four champions were Neil Sims (103 lbs.), Mike Anderson (138 lbs.), Steve Brendle (112 lbs.), and Mike Hampe (180 lbs.). In the regular season Sims, Anderson, and Tom Leydic (145 lbs.), were undefeated.

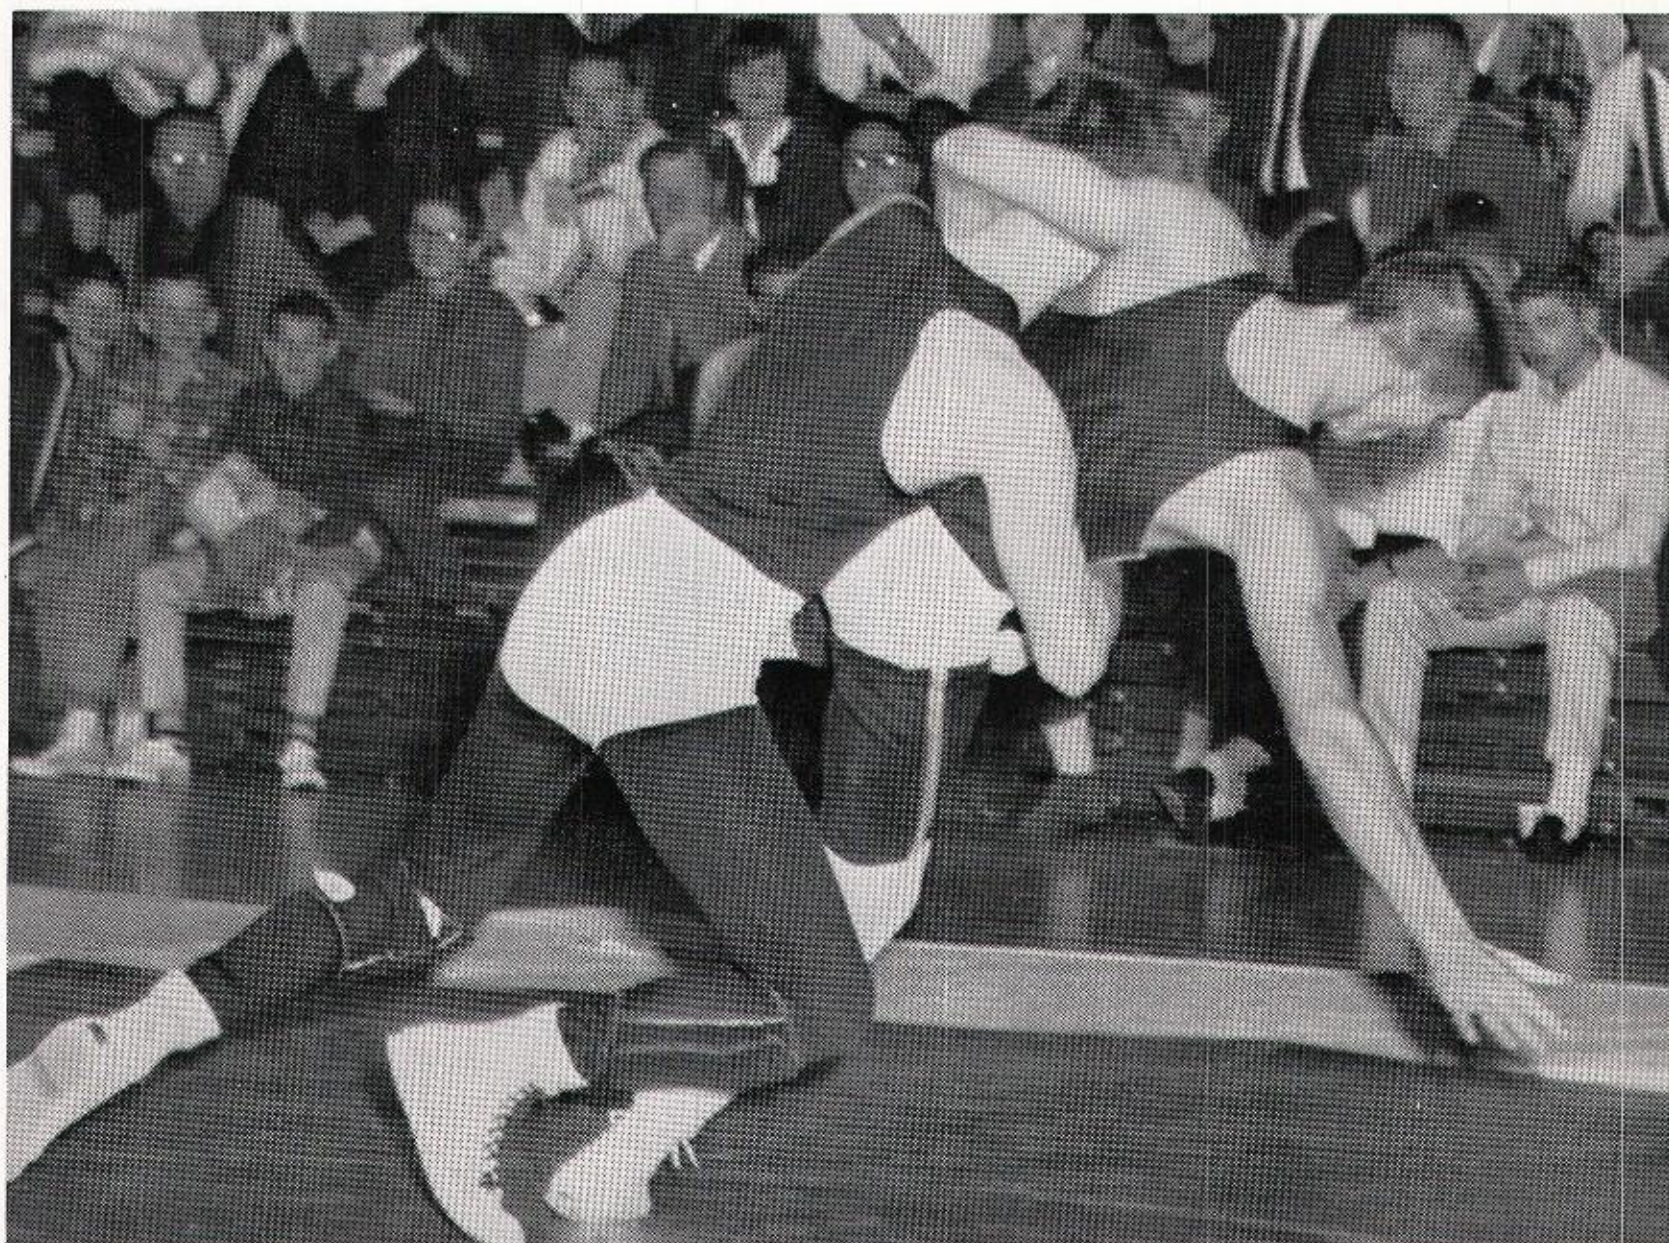

The Junior Varsity squad was coached by Mr. Kearney.

Bill Wiesman breaks his opponent down with a tight-waist.

Ed Wiggins pins his man with a reverse half-nelson.

Under the leadership of Head Coach James H. Wirth and Assistant Coach Lowell P. Moore, the 1963 Falcon nine rolled up a 13-5 over-all record. Their 10-4 record in county competition gave them a second place behind Arundel. Highlights of the schedule included two victories over Bates, two over Brooklyn Park, and the sound licking handed Annapolis on April 9 and May 10 (9-1 and 5-1 respectively).

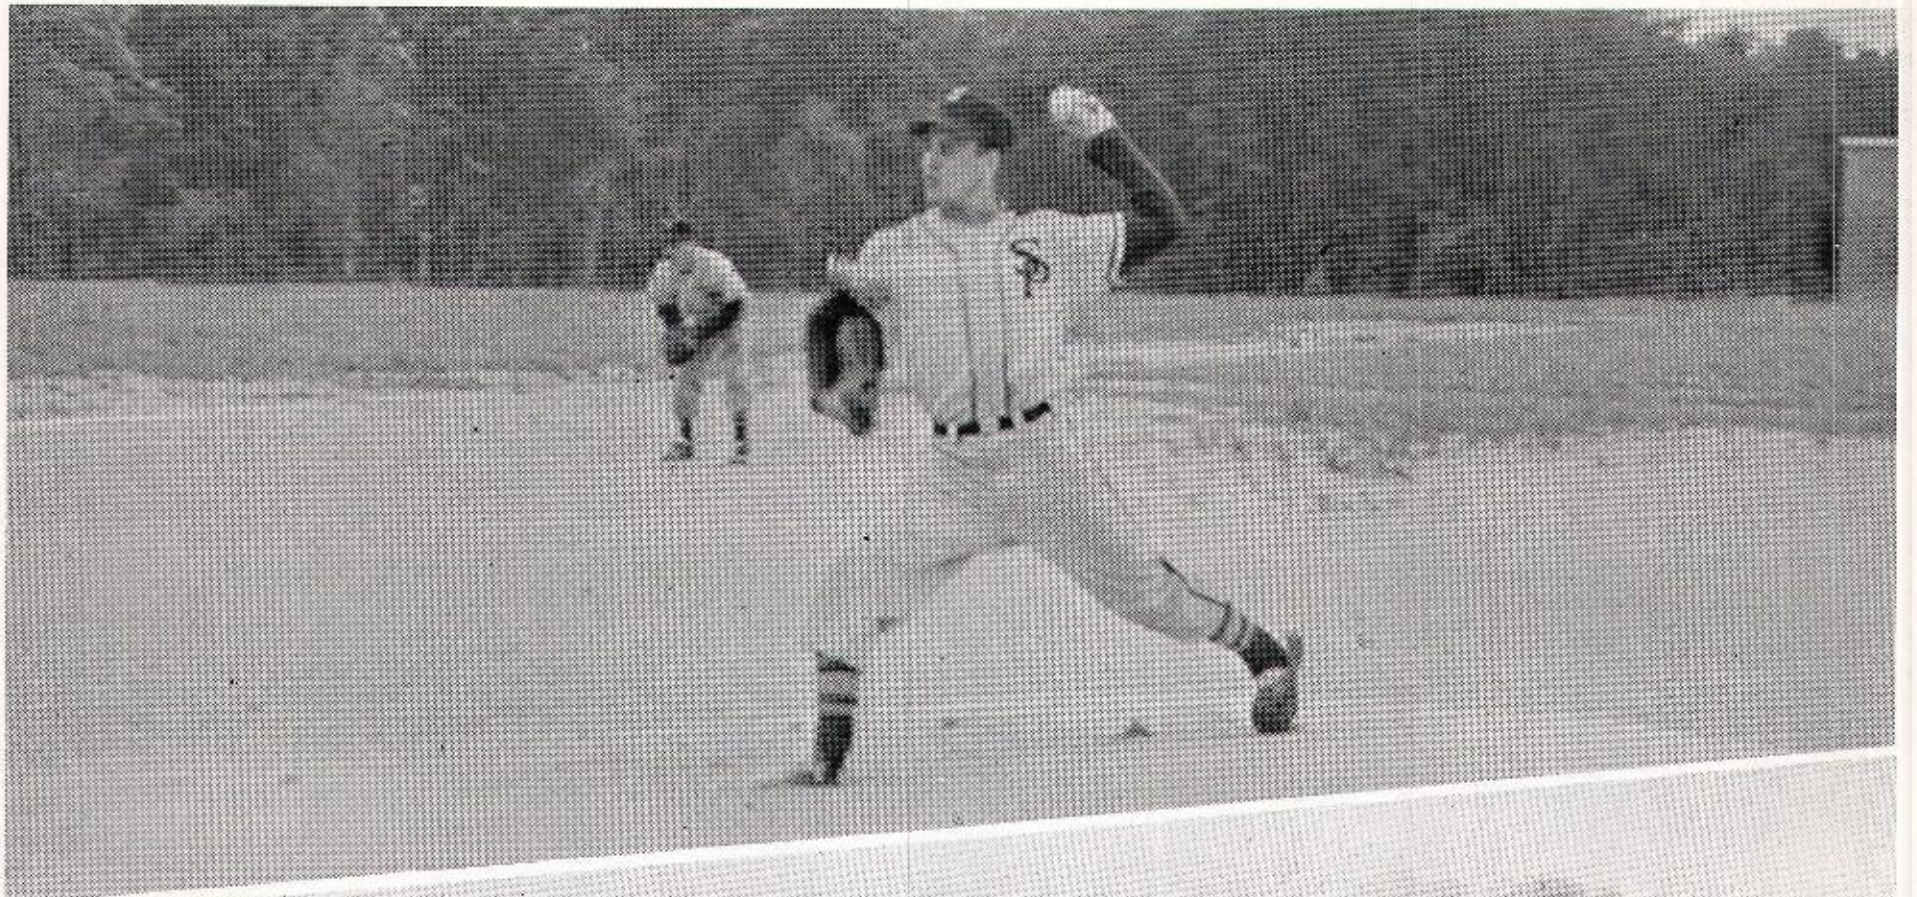

Led by the iron arm of Arlen Winterbottom, the Falcon pitching staff was among the best in the county. The team lacked a powerful hitting attack, relying instead upon a tight defense and good all-around speed.

With the departure of Mr. Wirth, Mr. Moore returns this year in the capacity of head coach.

Coach Turner

The girls' volleyball team had a poor season in 1963. Their 3-7 record included, however, two heartbreakers which were lost by one and two points. The Falconettes were hurt badly by graduation, and will lose four more members this year, so the girls will have to look for new talent.

The relatively inexperienced softball team turned in a 4-8 record for the 1963 season. Coached by Miss Bettie Mayo, the girls beat Arundel twice, Andover once, and arch-rival Annapolis once in a rousing 16-13 game. The poor record was due to an end-of-the-season losing streak. Our condolences.

Severna Park High School was privileged to host the fifteenth annual Maryland Association of Student Councils Convention in October of 1963. Months of diligent work by the Steering Committee and the committee co-chairmen resulted in a stimulating four days.

The 750 delegates were housed and transported through efforts of the student body and the community. Entertainment, registrations, decorations and budgeting were all handled by student volunteers. Credit for this successful convention must go to the students, who spent many hours of their time preparing for it, and to their fine supervisor, Miss Nancy Wayson.

M.A.S.C. advisor Nancy Wayson trades views with a fellow student council advisor during the convention.

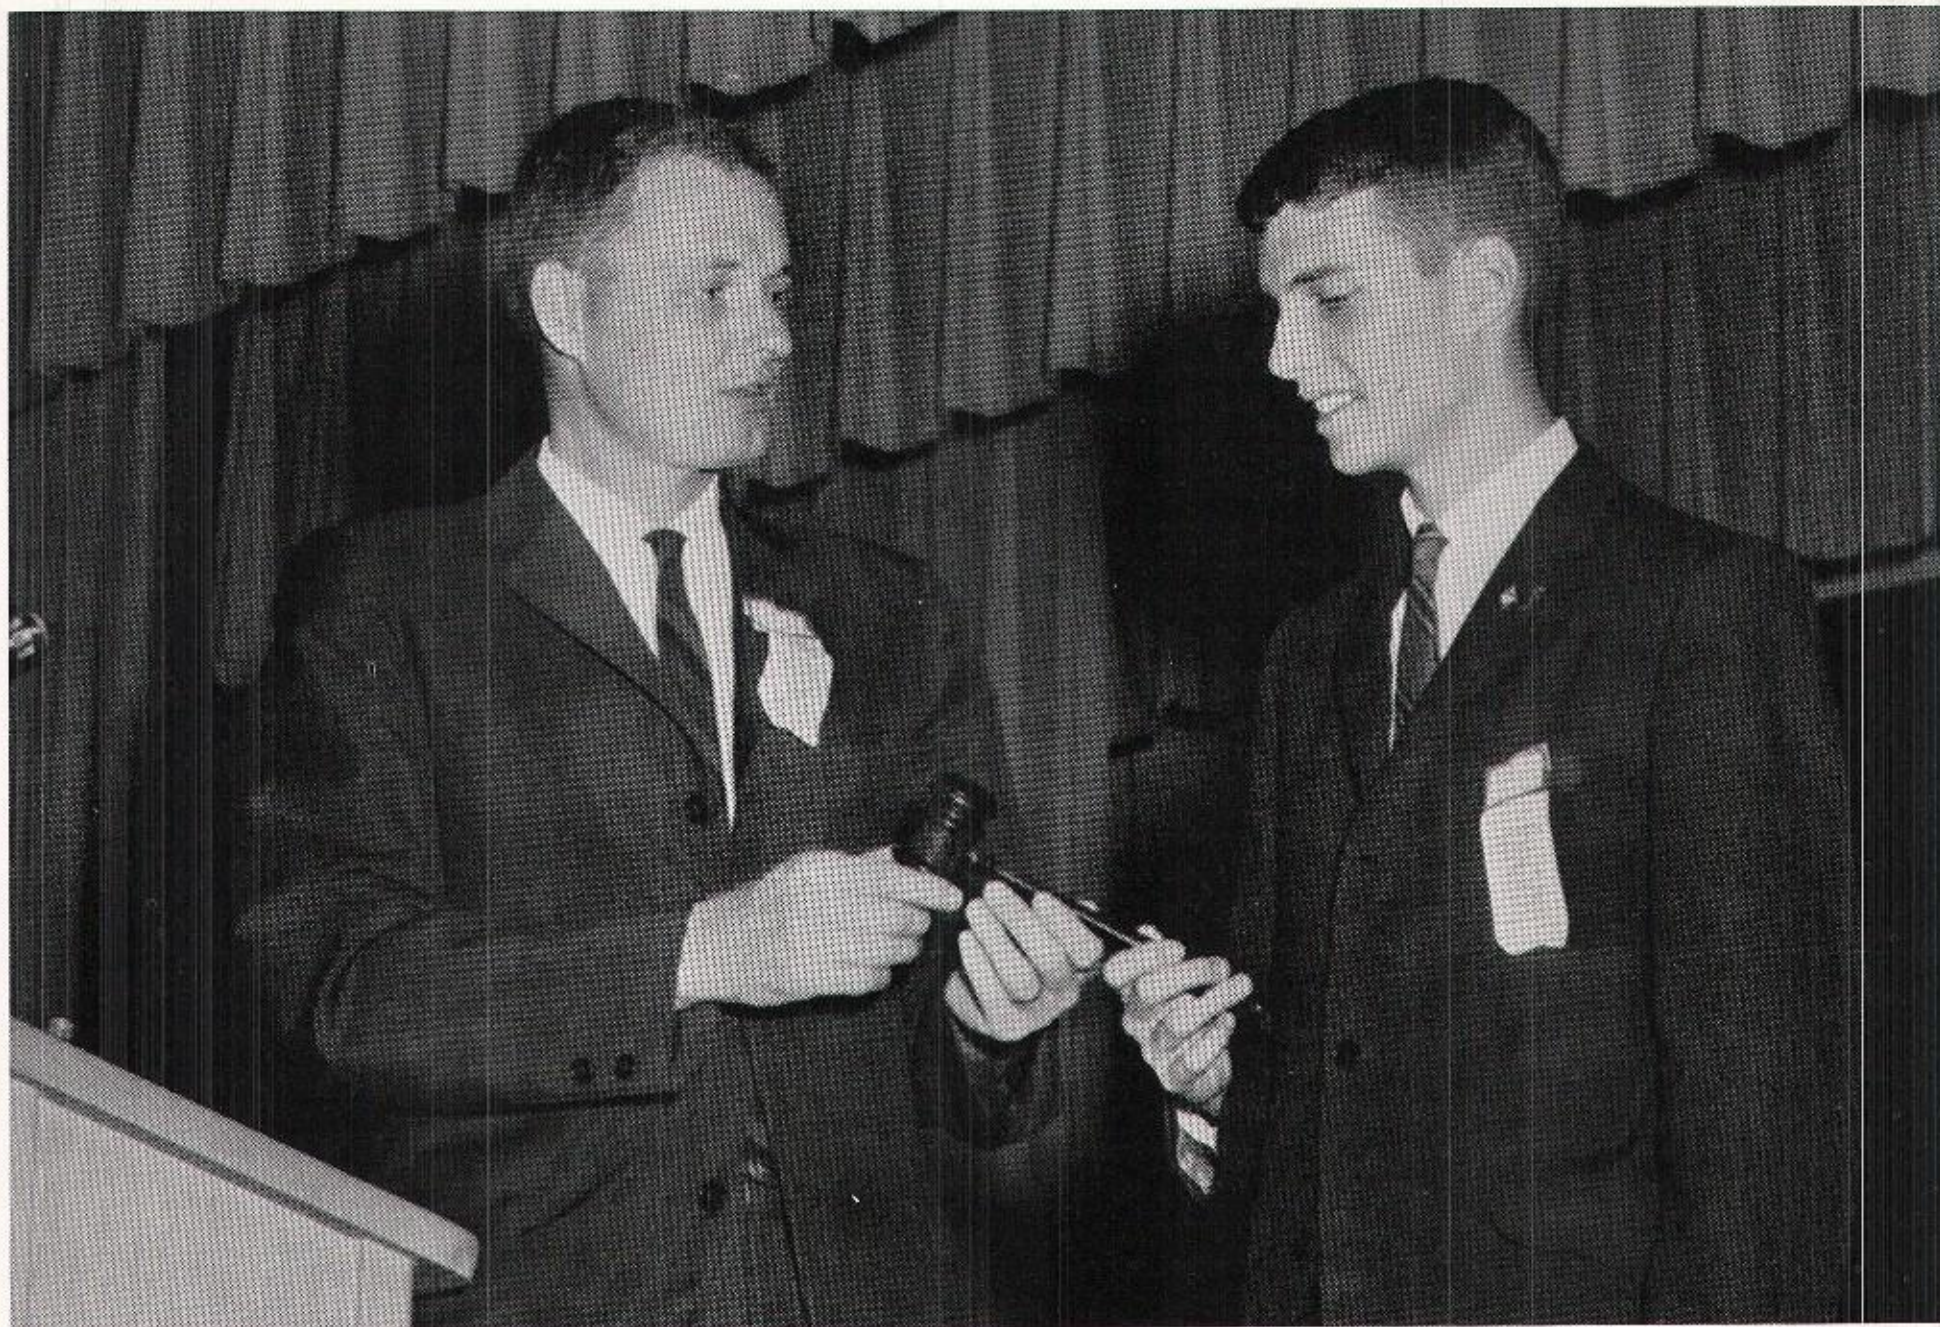

Shown at left is the Steering Committee; Brad Larson, Jim Larsen, Maureen Ray and Nancy McGoury. These students correlated the work of the other committees and were always available for encouragement and aid.

Committee Chairmen shown below are first row from left to right, Jim Erskine, Andy Smith, Brad Larson, Bob Van Houten, Curt Ritter, Sue McClay, Bob Lane, Sue Graham, Nancy McGoury, Maureen Ray, Jim Larsen. Second row, from left to right, Betty Larson, Dianne Wilson, Bruce Jones, Dave O'Brien, Jim Fava, Richard Clopper, Owen Logsdon, Sue Haddad, Larry Abrams, Carolyn Zutell, JoCarol Byrd, Bill Weisman.

I know Mr. ----- said to hang MASC, but this is ridiculous!

PRESIDENT JIM ERSKINE

SECRETARY NANCY MCGOURY

THE EXECUTIVE COMMITTEE from top to bottom in the picture below includes Nancy McGoury, Debby Rohrbach, Jim Fava, Ken Lawson, Lionel Hunt, Keith Madsen, Jim Erskine, and sponsor Miss Wayson.

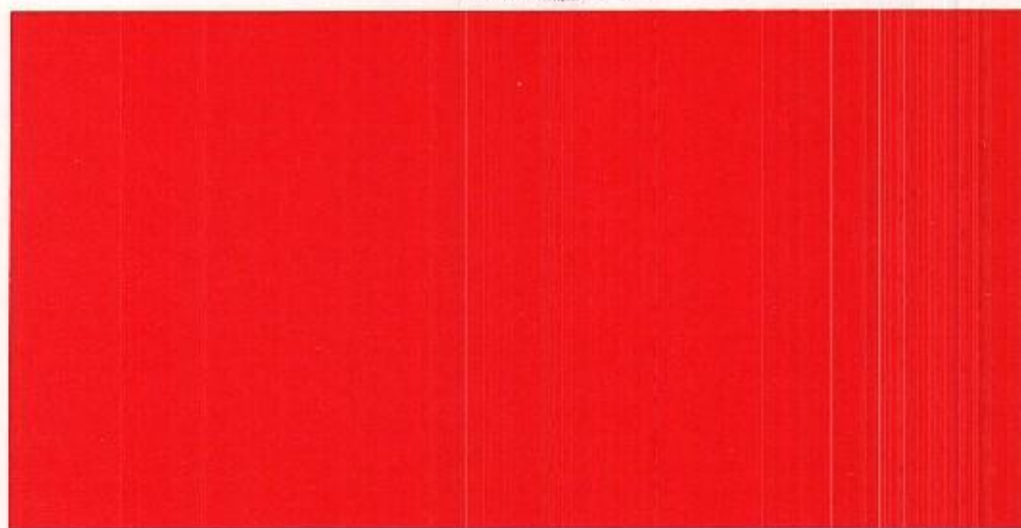

Council

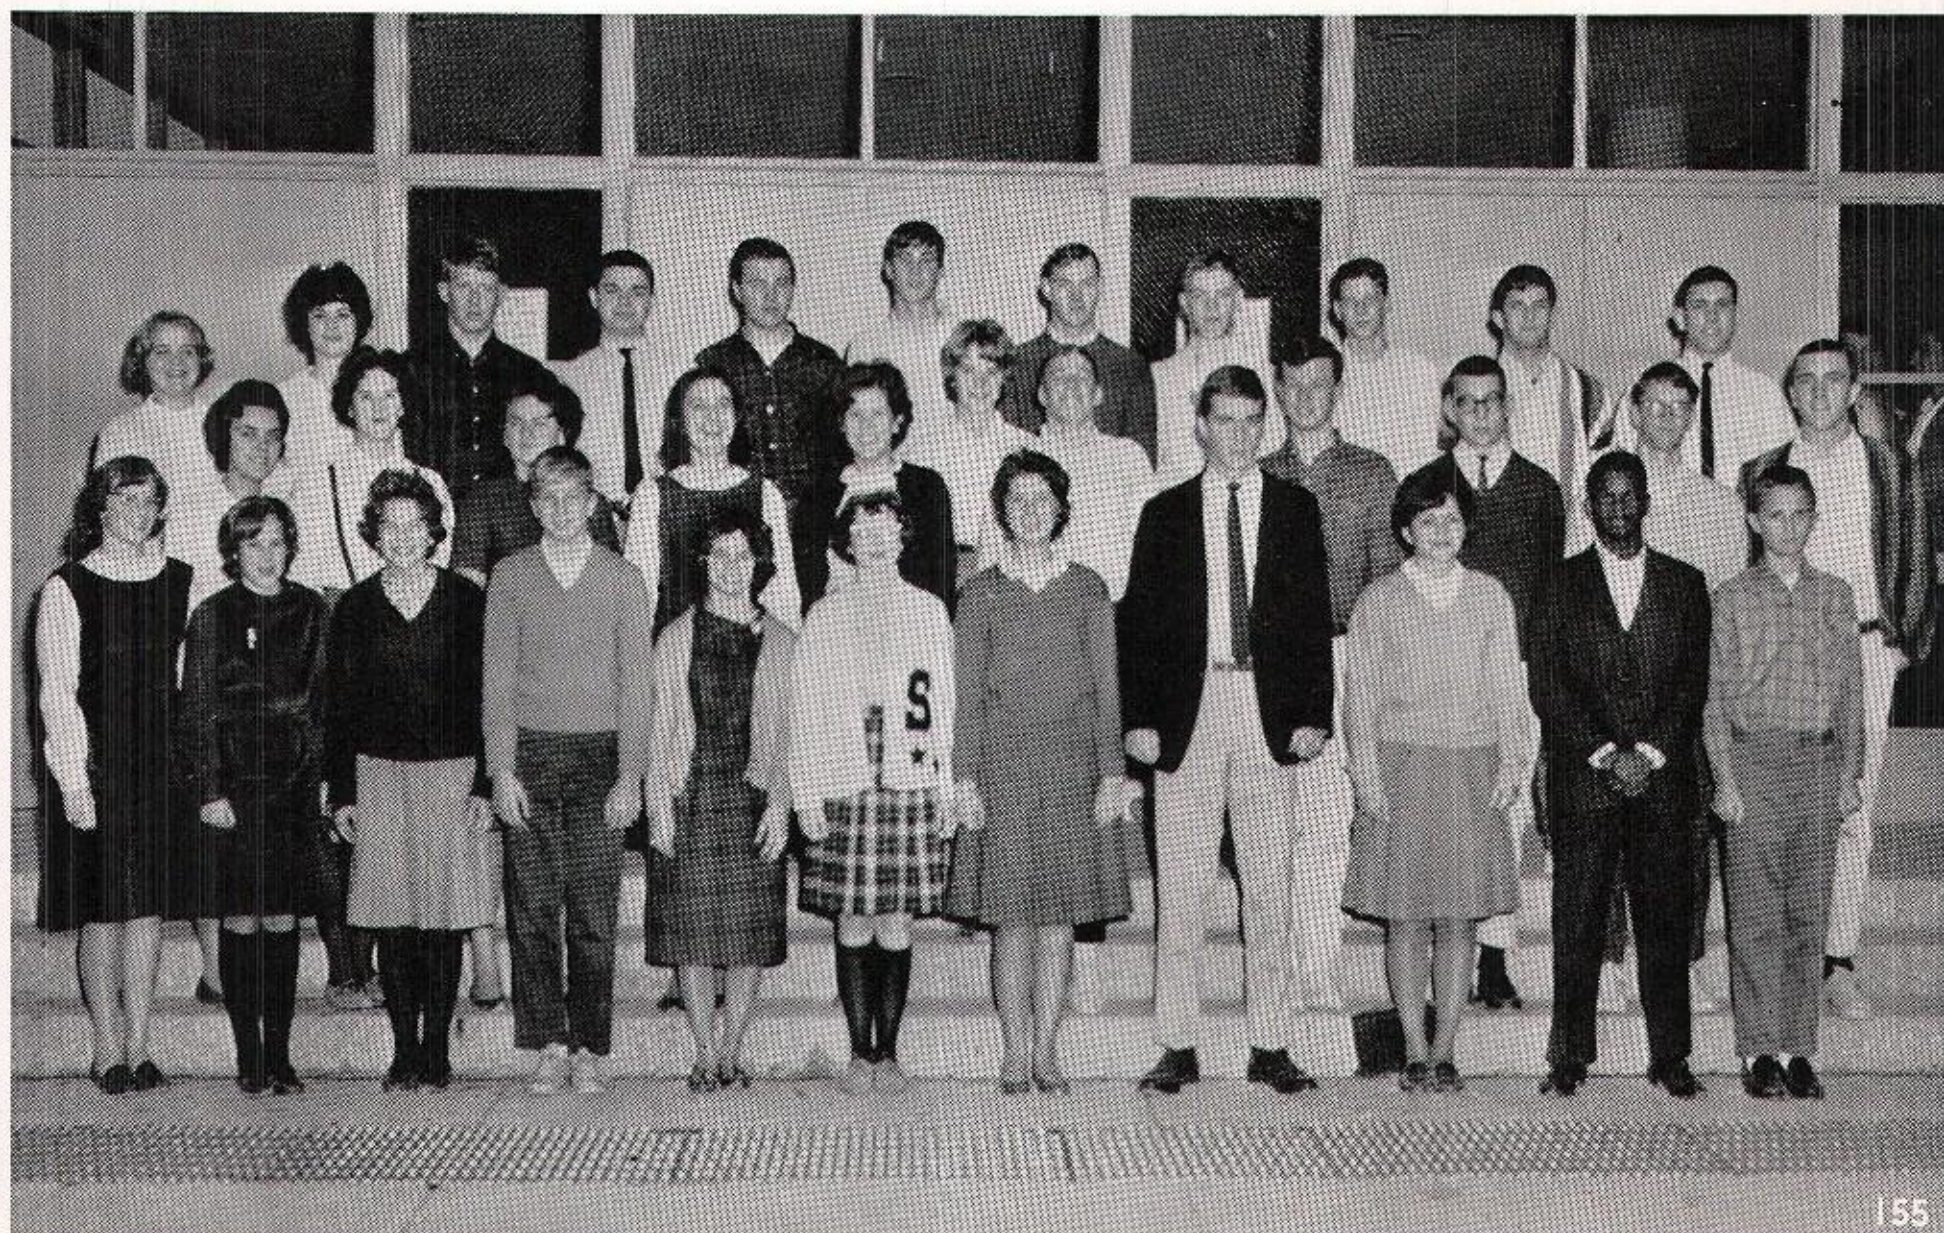

VICE-PRESIDENT BILL WEISMAN

TREASURER DEBBY ROHRBACH

At the center of the activities and organizations of Severna Park High School is the Student Council. Capably led by Jim Erskine, the Council strives to unify and improve the school. The Safety Council, Junior and Senior High Social Committees, and the Booster Club are standing committees of the Student Council. The many projects of the Student Council included investigation of the possibility of having an exchange student in the future, establishing a Senior Scholarship, and revision of the point system.

The officers of the Booster Club are left to right, Jane Bell, President; Sue Kent, Treasurer; Pat Edwards, Vice-president.

Booster Club

The Booster Club stimulated school spirit for all athletic activities throughout the '63-'64 season. The members sponsored the booster buses which carried student supporters to away athletic events. They also lent support to the cheerleaders and backed numerous school activities.

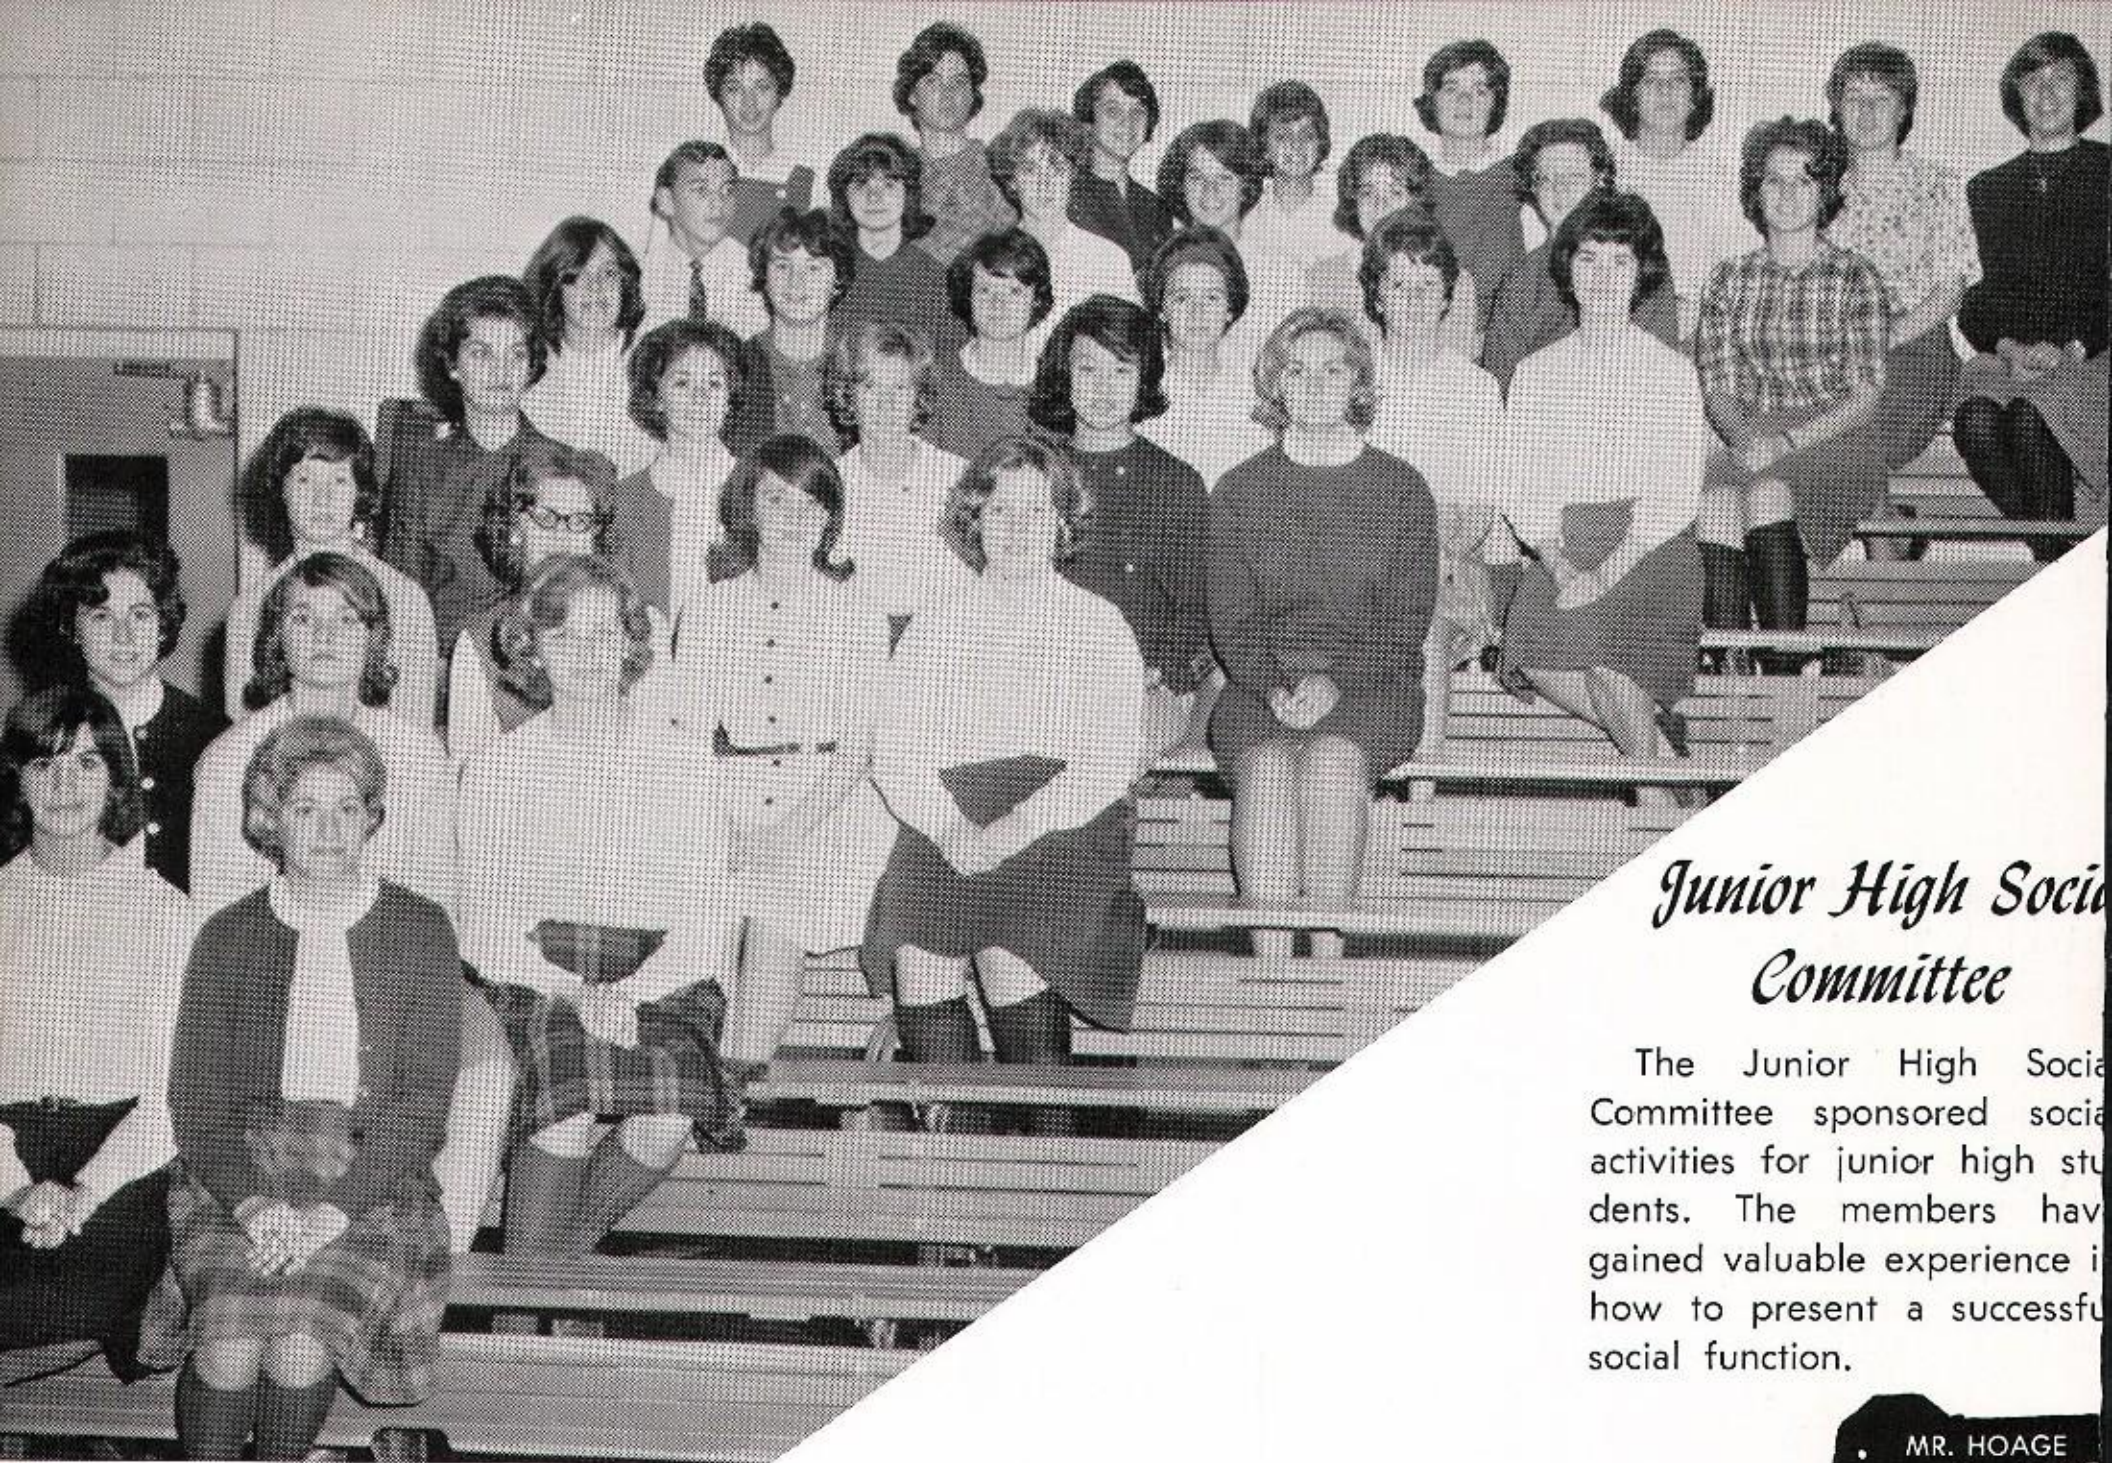

• MR. REPHANN

Pep Club

The Pep Club, represented by the Pom-pom Girls, joined the Band and Majorettes in football half-time programs this year. The group, which could be recognized by their uniform gold sweaters, also supported the indoor winter sports.

• MISS GILMER

Junior High Social Committee

The Junior High Social Committee sponsored social activities for junior high students. The members have gained valuable experience in how to present a successful social function.

MR. HOAGE

Senior High Social Committee

The Senior High Social Committee presented the activities during Homecoming week-end, which was highlighted by the Falcon victory over St. Mary's.

The members started a new precedent this year in sponsoring popular movies as a school social function. The proceeds went towards a scholarship that was awarded by the Student Council.

Dramatics Club

The Curtain Callers, under the capable advisorship of Mrs. Carolyn Bellanti, opened their fifth busy season. The officers, continuing from last year, were Skip Todd, president; Maggi Crowson, vice-president; Anne Lovell, secretary; and Bob McDowell, treasurer. Members of the club attended a speech and drama clinic at Frederick High School where they participated in discussion groups for direction, make-up, scenery, lighting, and publicity. Soon after the clinic, The Curtain Callers were deep in the production of their first serious play, *The Diary of Anne Frank*. The actors and members of the various committees worked hard to make the play a success. The club then participated in a one-act play festival held at the University of Maryland in March and later produced a one-act play for the Falcon Fair.

The Diary of Anne Frank was the Curtain Callers' major production this year. Preparation for the play, which was staged on December 13th and 14th, began in the middle of October.

The cast included from left to right, Joe Boudreaux as Peter, Linda Grogan as Mrs. Van Daan, Jay Wiggins as her husband, Maggi Crowson in the role of Mrs. Frank, Peggy Peron as Margot, Charles Wagoner as Mr. Dussel, and Wendy Wilmann in the role of Anne.

Those actors not pictured were Karla Nische, and Doug Smith.

Band

The Junior and Senior Bands, directed by Mr. Immler, have provided all the instrumental music for assemblies in the absence of an orchestra. The Junior Band practices before school while the Senior Band rehearses during class period. The members of the Senior Band also compose the Marching Band, which is led by Drum Major, Richard Clopper.

The Senior Band

The Marching Band joined forces with the Annapolis Band during the Thanksgiving Day football game and presented a halftime program in memory of President Kennedy.

The Junior Band

Majorettes

The Majorettes, led by Phyllis Brown, preceded the band in impressive halftime programs during the '63 football season. The result of their intense practice was illustrated by Phyllis in her performance with the fire baton. The girls organized a workshop in the spring to give interested girls the practice which would enable them to participate in the future.

*Best of luck

Girls Chorus

The senior high choruses under the direction of Mr. Perdue rehearsed during the school day in chorus classes. This year the group was divided in two sections, the girls chorus and the mixed chorus. They performed several times during the year in both junior and senior high assemblies. They also participated in two excellent programs given for the P.T.A., one at Christmas and one in the spring.

Mixed Chorus

Quill and Scroll

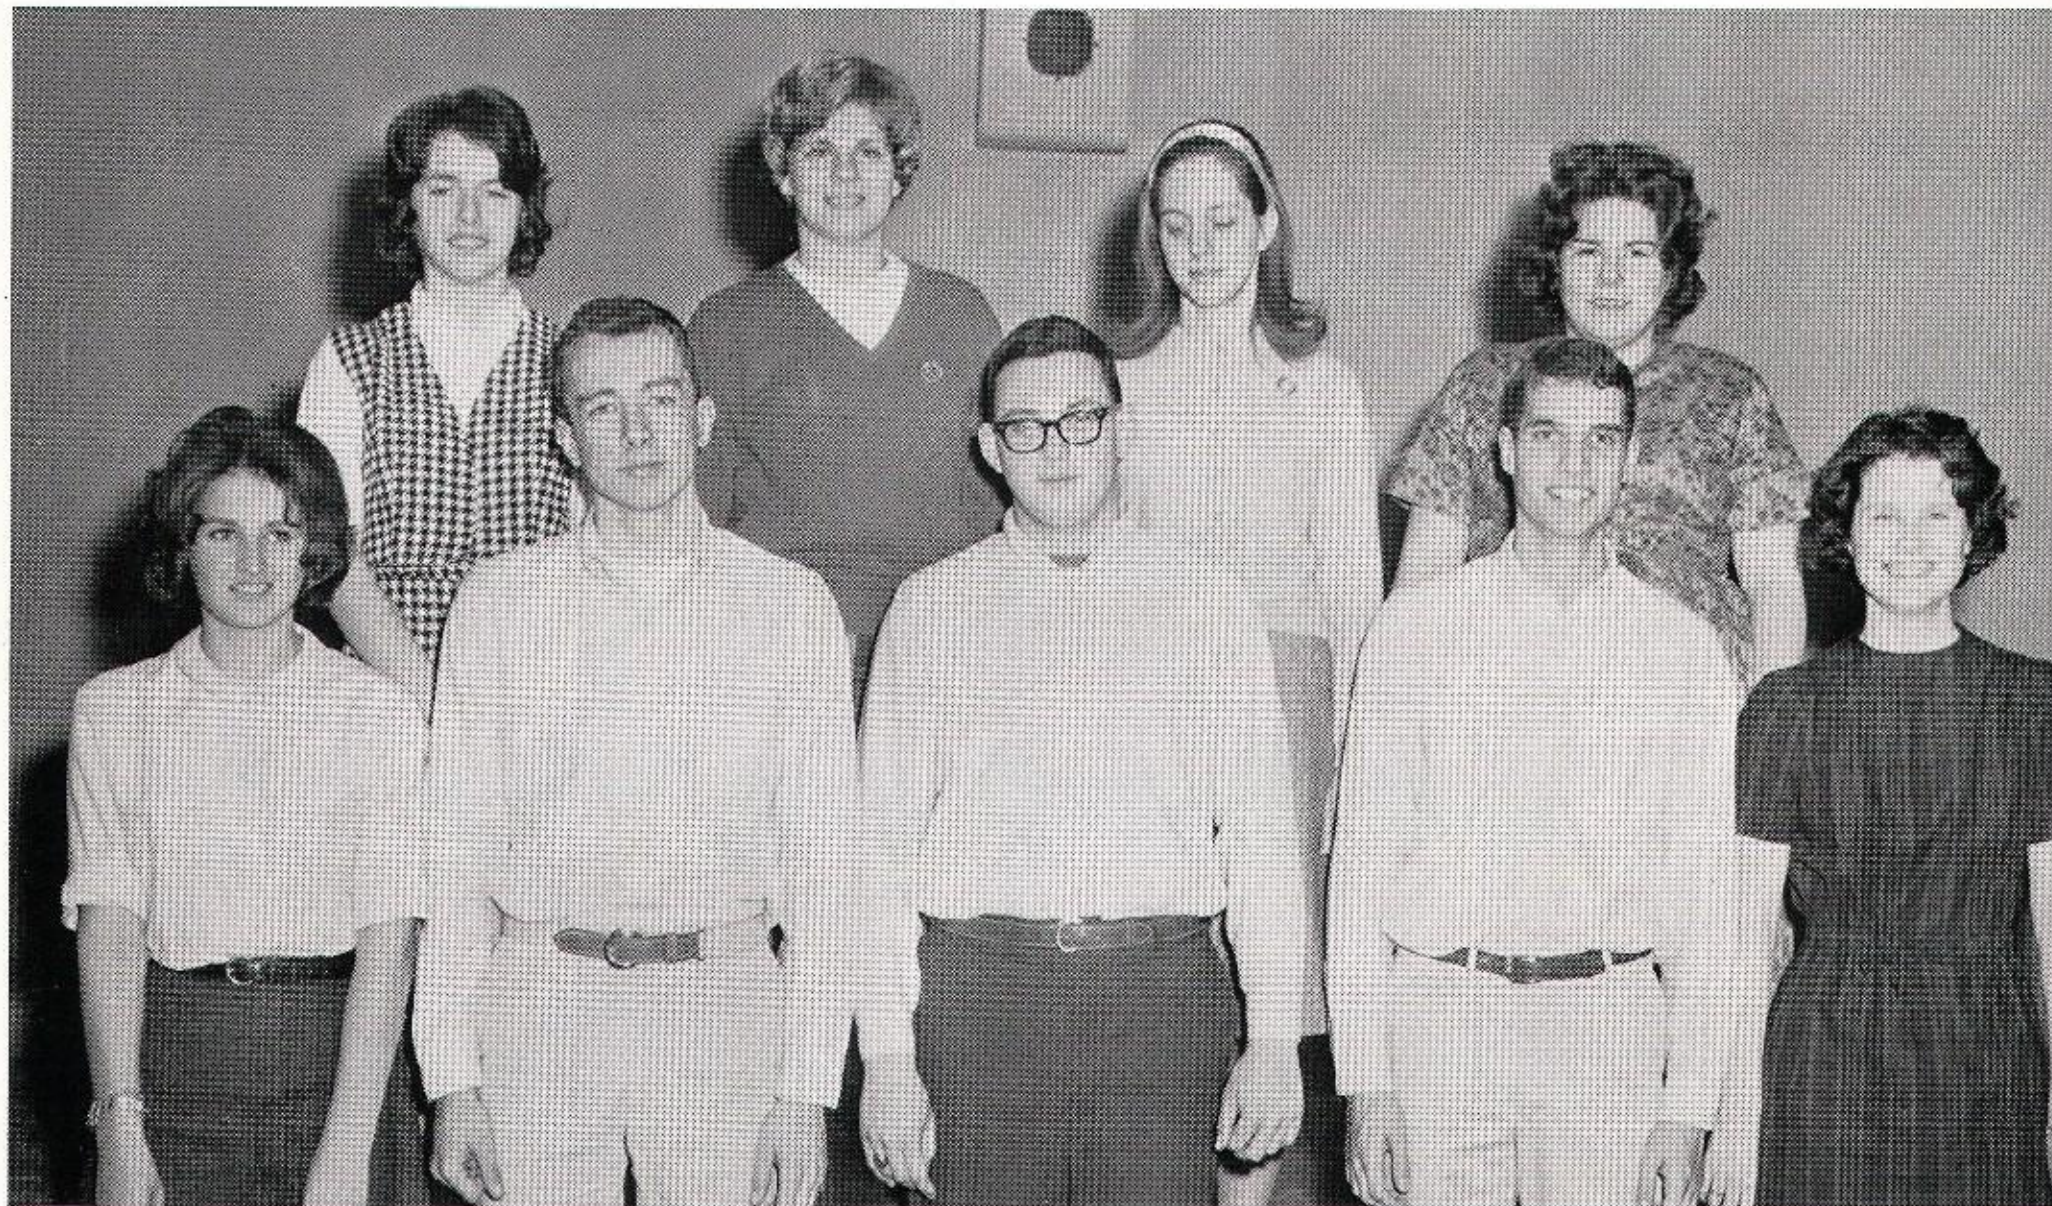

The Quill and Scroll is a national journalistic honor society. Membership is awarded for substantial and outstanding contributions to journalistic issues. Eligible students must be juniors or seniors and have worked on EMBERS, TALON, and CAULDON staffs.

The members are from left to right: Betty Larson, Bob VanHouten, Maureen Ray, Dave O'Brien, and Anne Lovell.

MISS DOVE

Thespians

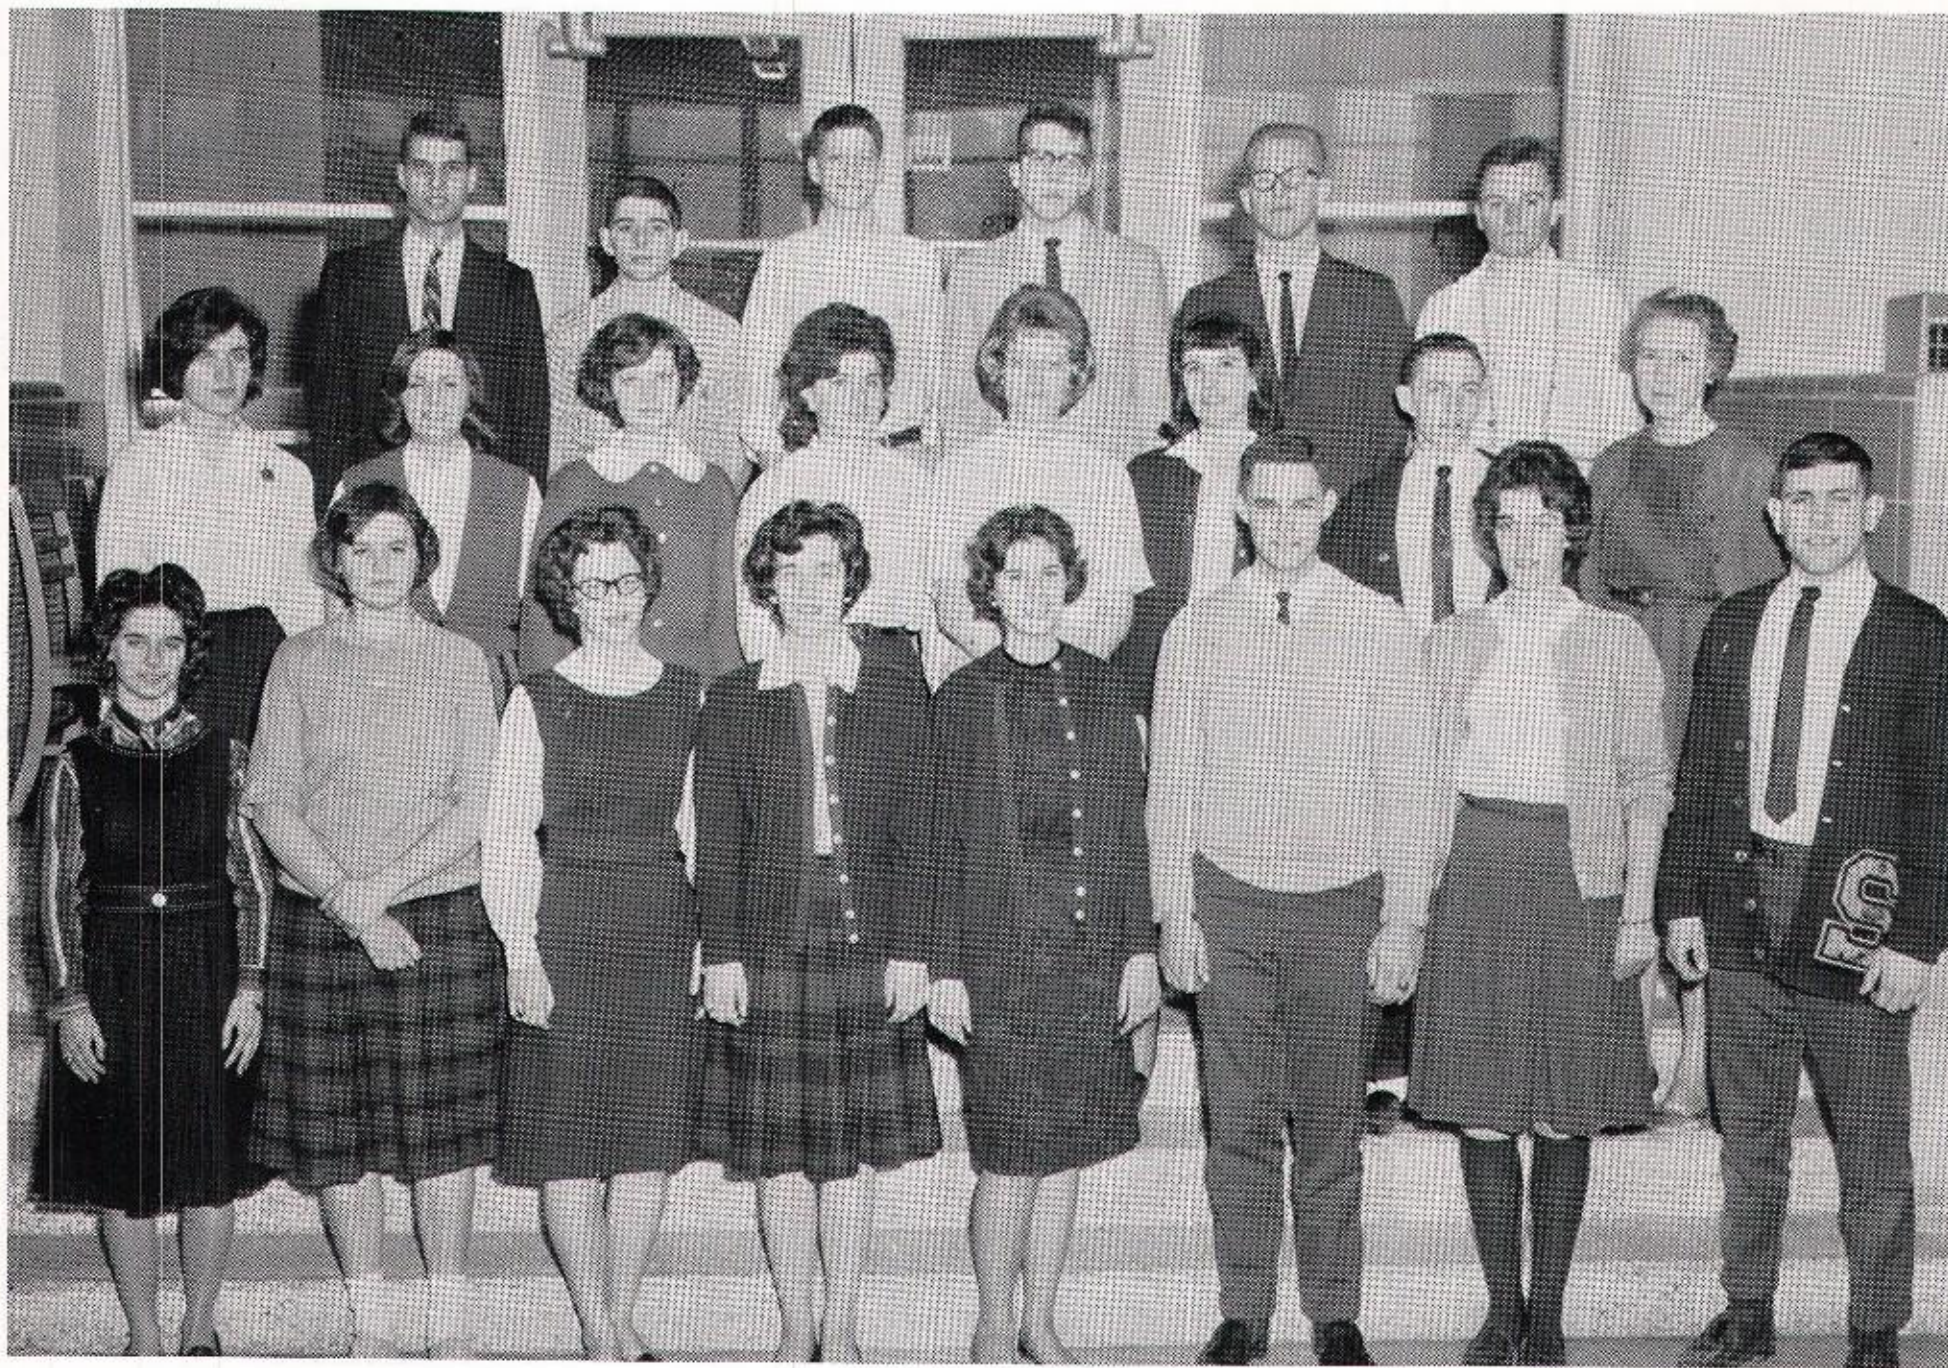

The Thespians from left to right, Row 1: Betsy Shelley, Bob McDowell, Dave O'Brien, Brad Larson, Maggie Crowson. Row 2: Virginia Gardner, Judy Dam, Jane Witherite, and Anne Lovell.

MRS. BELLANTI

Members of the Dramatics Club are awarded a variety of credit points for their participation in plays sponsored by the club. Thespians are those students who have accumulated a specified number of points. This is a branch of a national organization and membership is considered an honor.

National Honor Society

Students who have a high scholastic average, a strong character, leadership ability, and have rendered service to the school are eligible for the National Honor Society.

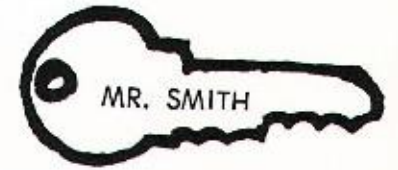

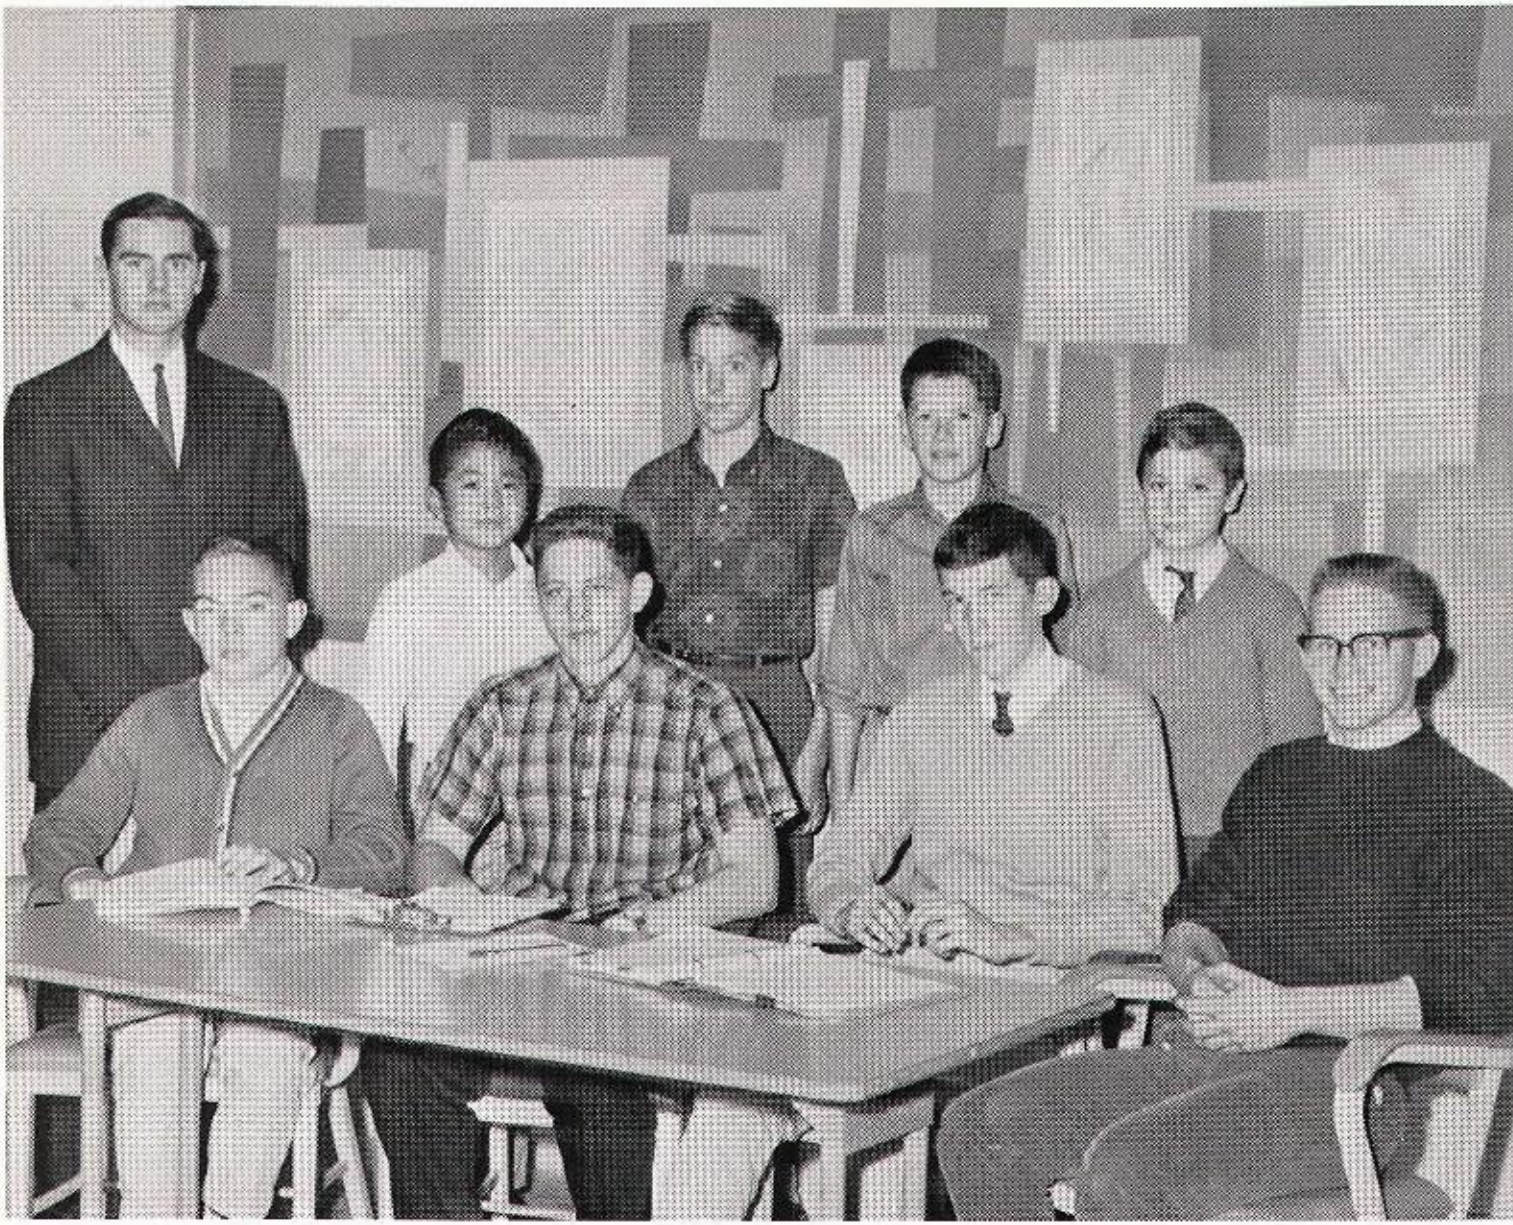

The Honor Society started a new project that it hopes will be repeated in future years. Four scholarships were awarded at graduation, one for each of the outstanding students in character, leadership, scholarship, and service. The Society held a "pennies for knowledge" drive during the year to help establish scholarships and the profit from its hootenanny was also donated to the cause.

The officers are from left to right, Jim Larsen, President; Jim Fava, Treasurer; Larry Abrams, Vice-president; Patsy Sullivan, Secretary.

Hi-Y

In the second year of its existence the Hi-Y participated in school and YMCA sponsored activities. The Club sent a delegate to a district convention in Delaware and raised money for a world service project. This past year was one of growth in membership and prestige for the Club.

Tri-Hi-Y

As a YMCA sponsored organization, the Tri-Hi-Y endeavors "to create, maintain and extend, throughout the home, school, and community high standards of Christian character.

The Club completed several service projects and guest speakers aided the members in choosing a college and obtaining summer employment. Parties and other social affairs rounded out the year.

Key Club

The Key Club is a service organization sponsored by the Kiwanis Club. To raise funds, the boys sold Christmas fruitcakes and ran a booth at the Falcon Fair. Carrying out their purpose as a service club, the members donated to a scholarship fund and completed a project for the needy.

The members are from left to right, Joe Jackins, Dave Parsons, Jeff Kline, Dave Sebes, Chip Stallings, Mr. Ruck (sponsor) and Bob Ellis.

Radio Club

The Radio Club offers an excellent opportunity for students to become amateur radio operators. Members are taught the Morse Code and basic knowledge of transmitters and receivers, and prepared for the amateur license examination given by the FCC. In the future the club plans to have its own radio station.

Inter-Act Club

One of the school's most active service organizations is the Inter-act Club, sponsored by the Rotary. The members have successfully carried out many worth-while projects. The club provides experience in working together and in serving the school and community.

The members are from top to bottom, Richard Clappe, Dave Norris, Curt Ritter, Bill Wemmer, Bruce Osborn, Dave Jacobs, Alan Dean, Gordon Mayers, Jim Ramsey.

Stage Crew

The diligent efforts of the stage crew are necessary for the success of all assemblies and programs in the auditorium. This unheralded group works behind the scenes to insure the smooth operation of all stage equipment. The stage crew deserves much credit for their service of the past year. The members are from top to bottom, Mike Lowman, Jim Todd, Rick Baines, Paul Sorensen, Charles Mace, Rick Mayers, Jeff Kline, Skip Todd.

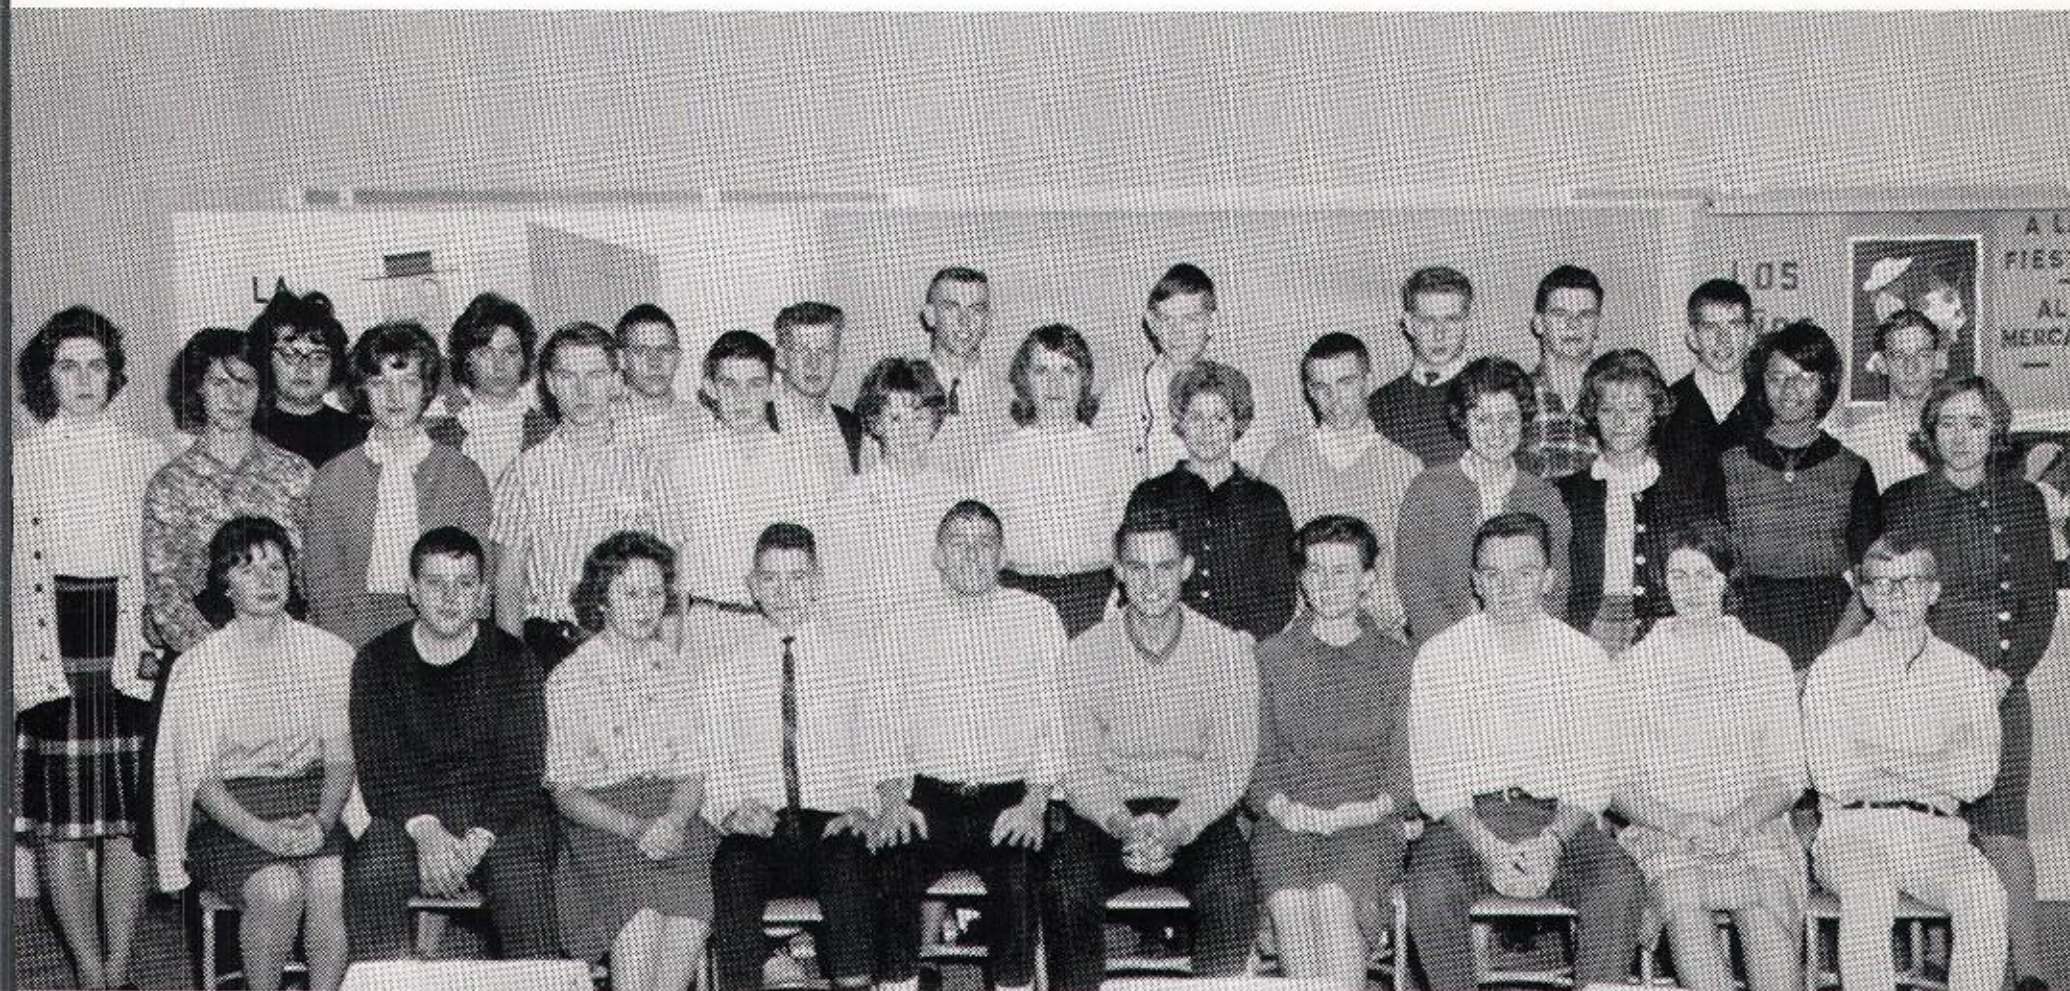

French Club

MR. ROBERGE

The French Club, under the sponsorship of Monsieur Roberge, endeavored to make the past year a successful one. Plans included a visit to the French Embassy and a French dinner. Second, third and fourth year students may join this organization to promote interest in the French language and customs.

Spanish Club

MRS. MILLER

The Spanish Club, also known as "Los Burritos Sabios," is an organization aimed at furthering students' interest in the culture and customs of Spanish-speaking countries. To add to the members' knowledge of the language, the meetings are conducted entirely in Spanish. Observing Spanish custom, the club held a pre-Christmas piñata party.

Photography Club

The Photography Club was re-established this year by Mrs. Warner and has spent most of the year suffering organizational pains.

The experience of the club will be called on in the future to contribute some pictures for all journalism publications.

From left to right are the officers of the Photography Club; Donna Carneal, treasurer, June McCommas, vice-president, and Tina Wagner, president.

Cast, Cane, and Crutch Club

The Cast, Cane, and Crutch Club is not yet recognized as a school club; however, there are an abundance of students eligible for membership. The students pictured above fulfilled requirements for membership during the first semester. They have since been replaced by a new group sporting injuries from athletics and accidents. The high fashion of the second semester seemed to be neck braces.

Social Studies Club

The purpose of the Social Studies Club is to stimulate student interest in the social sciences. A field trip to Washington, speakers, and an international dinner are a few of this club's projects.

The first in a series of annual awards to seniors having done outstanding work in social studies was presented this year by the club.

In the Front row, from left to right: Jeff Kline, Sue Kent, Regina Johnston, Barbara Zivi, Sherry Anderson. Second row: Janice Shafer, Lynn DuVall, Addie Kim, Greg Johns, Tom Parron, Dave Parsons. Third row: Barbara Ordham, Patti Faff, Bev Martenson, Janie Johnson, Ellen Bauer.

Science Club

The Science Club promotes activities designed to stimulate the imagination and interest students in science projects. Various programs and speakers acquainted the members with the wide range of study that the word "science" encompasses.

Mr. Crowley presents a lecture to the club on the discovery and preservation of fossils.

Fire Brigade

The members of the student fire brigade organize and supervise the school's fire drills. The brigade regularly checks the school's fire equipment. This organization plays a vital role in Severna Park's Safety Program.

Archery Club

The members of the archery club pursue a sport that is hundreds of years old. The club was organized to encourage the practice of this pastime by students. The members of this organization meet every week to "aim for the Bullseye" and compare scores.

School Store

The school store, maintained by the FBLA, has had a successful year. With Karen Schmidt as manager, and Ronnie Torres and Janice Riley as assistant managers the club members have co-operated at working in the store to gain points for a school business letter.

Student Librarians

Organization, a key factor in the successful operation of a library, would be impossible without the student librarians. They assist Mrs. Oldham, the head librarian, and Miss Miller, the assistant librarian, in the important tasks of arranging, stamping, and carding books. They give up their free time before, after, and during school to provide this valuable assistance. In turn, these young people are given the chance to explore a profession essential to every school and community.

MRS. OLDHAM

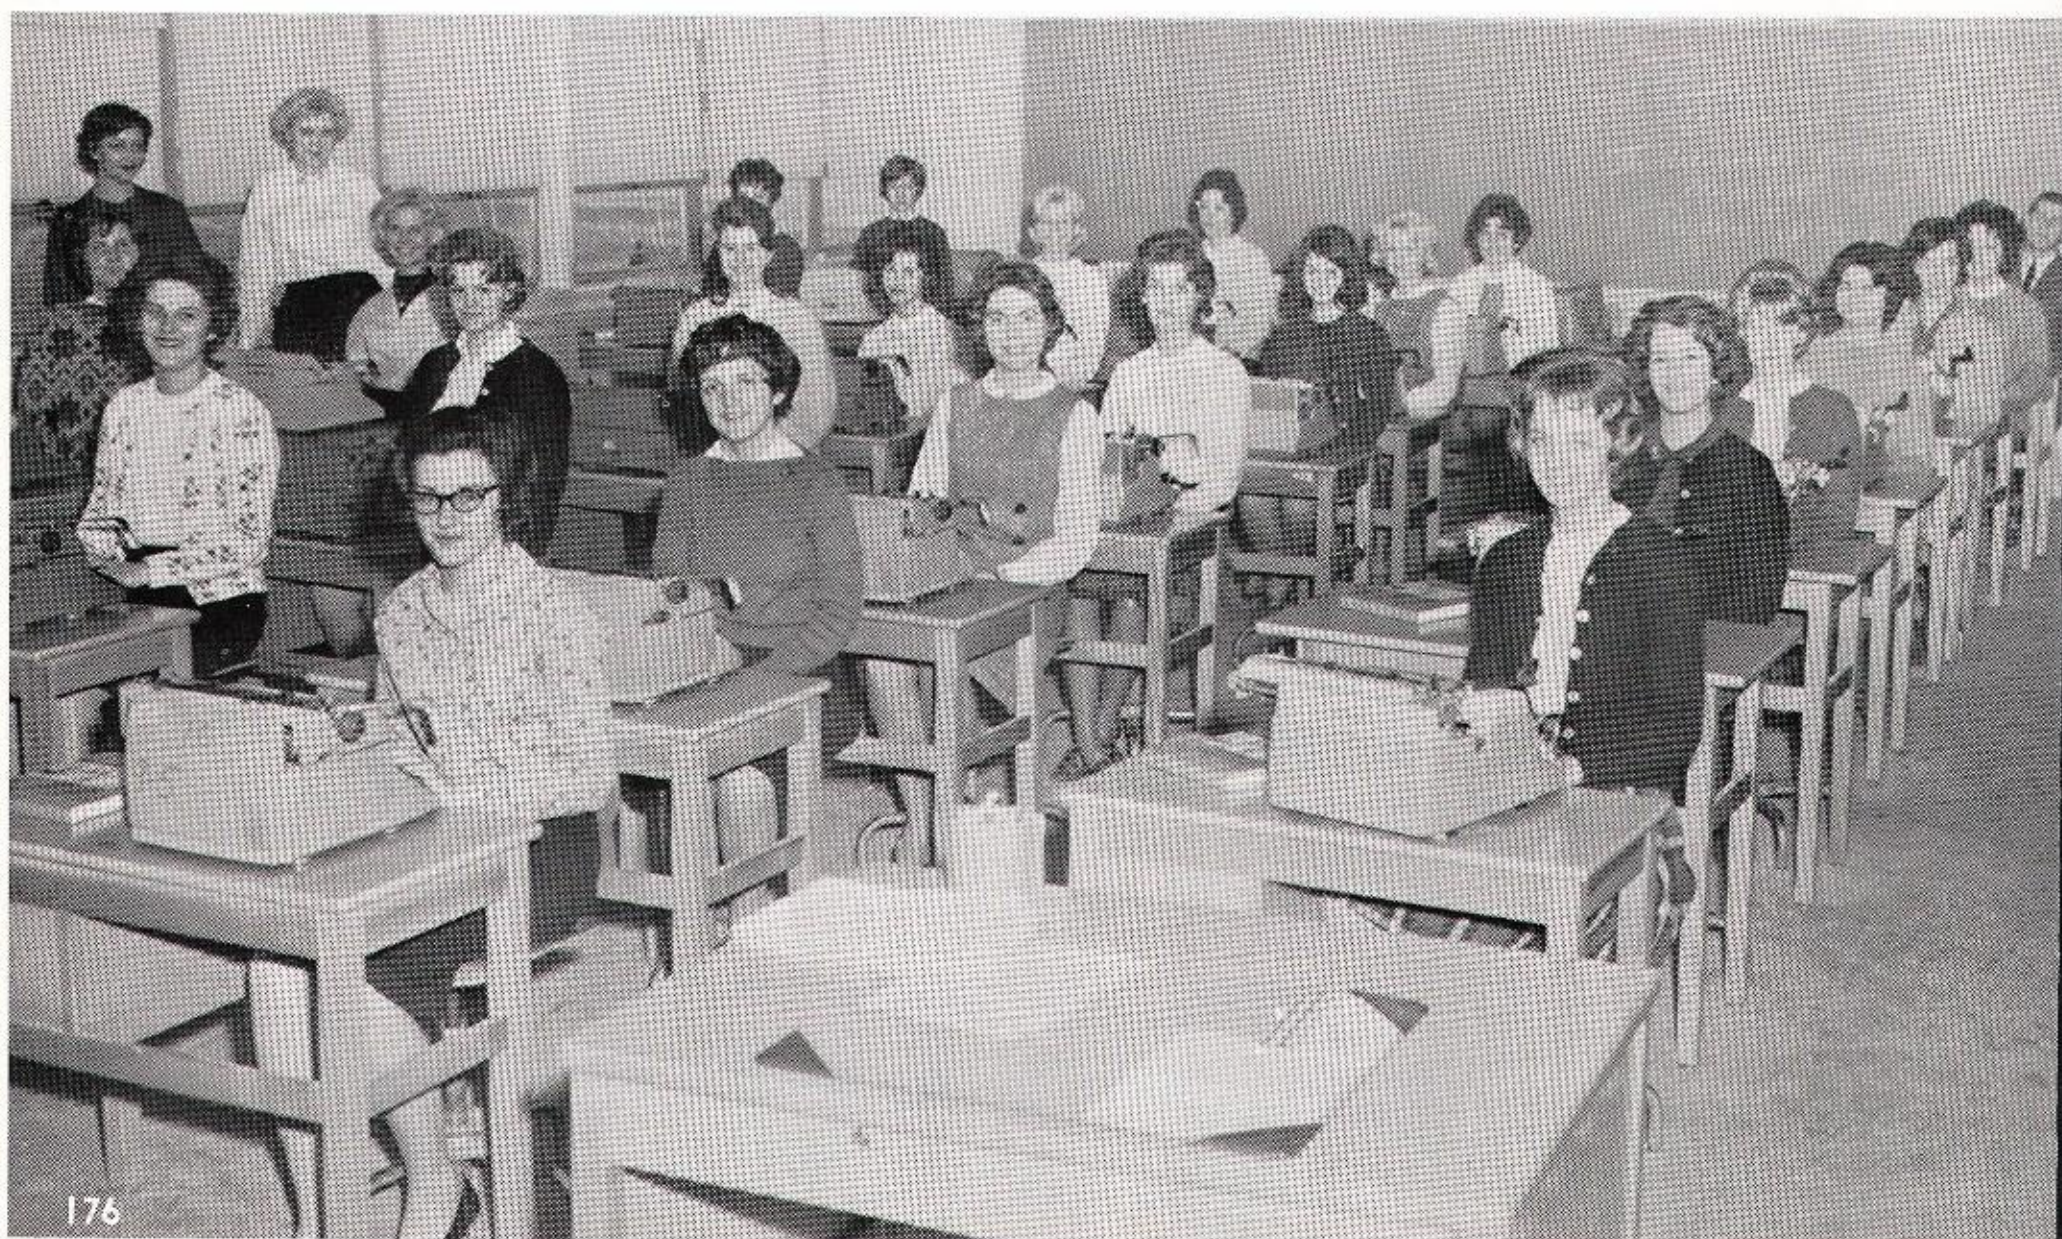

Future Teachers of America

To encourage qualified students to become acquainted with the duties and advantages of the teaching profession is the aim of the Future Teachers of America. One of the club's primary projects of the year was the collection of pencils to be sent to Bolivian children. Other programs during the year were designed to give the students a better understanding of teaching.

Future Business Leaders of America

Led by Lee Jones the F.B.L.A. members have cooperated well this year in developing true business leadership qualities. In November several of them took a trip to New York, which was highlighted by a visit to Wall Street, the business hub of America. Extensive planning went into the State F.B.L.A. Convention held here at Severna Park in January and participation in the National Convention in Washington, D.C. in April. As well as maintaining the school store throughout the year, the club has participated in profitable pencil and stationery sales.

Future Nurses of America

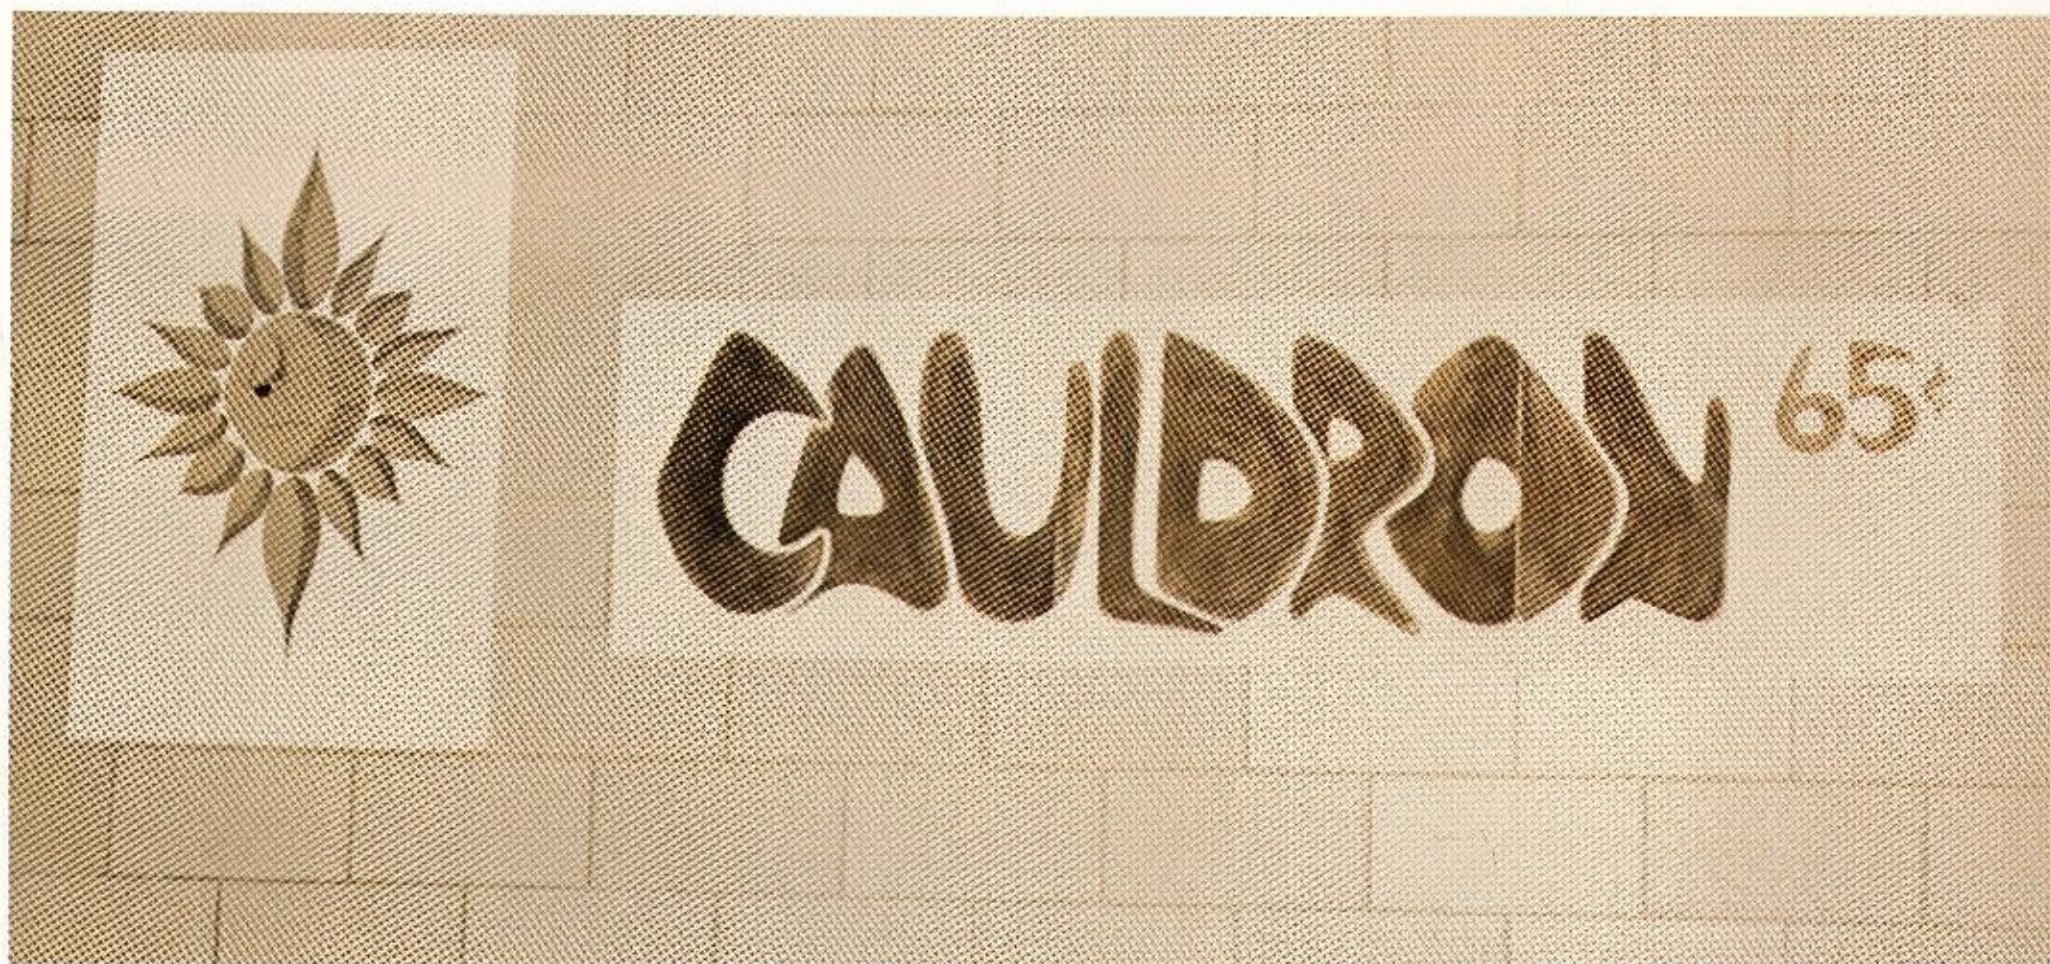

Girls with white starched caps in their future become further acquainted with the many sides of the nursing profession through the Future Nurses of America. Donating toys to hospitals and sending used clothes to hospitals in Korea were two of this club's worthwhile projects.

Future Homemakers of America

The Future Homemakers of America strive for the advancement of better homemaking and impressing upon others the importance of good management in every home. The club's activities included a bake sale, a fashion show and a tea. Each club member worked to learn and practice skills which are a necessary attribute of the good homemaker.

CAULDRON, the literary magazine, contains student contributions of essays, short stories, poems, and plays. The staff sponsors an annual contest to encourage students to submit their work to the CAULDRON. A prize is awarded for each of the best articles in the fields of poetry, short stories and essays.

Each issue of the CAULDRON is submitted for rating and the prospects look good for this year's issue to live up to the standards set by the '63 staff when the magazine placed in a national contest.

At right Barbara Zivi, editor-in-chief, talks with CAULDRON advisor, Miss Dove. Below are the CAULDRON editors, left to right; Jeff Kline, photography; Barbara Zivi, editor-in-chief; Sue Beardsley, art; and Diane Hite, clerical.

The Talon

The TALON has seen many changes this year under Mr. Barton, the new advisor. The new size coupled with the new editorial policy and the incorporation of more timely features have created greater interest in the paper.

The TALON was published once a month this year by a staff composed of the journalism class and other interested students. A sales drive was held in the fall for the paper, which was sold by subscription only.

Mr. Barton discusses the next TALON issue with Editor-in-Chief Anne Lovell.

Homecoming

Homecoming '63 will be remembered as the first homecoming victory for the Falcons.

Homecoming activities started Saturday morning with a gala parade of cars and floats led by the queen and her court. The girls were then escorted in open convertibles to the game where the festive half-time activities took place. Sandy Helber was crowned queen and chosen as her court were Sue Bradshaw, Nancy McGoury, Debby Rohrbach and Carolyn Zutell. The highlight of the day was the Falcons' first Homecoming victory, as they stomped St. Mary's 21-0.

Climaxing the day's festivities was the Homecoming Dance. The Social Committee worked feverishly and succeeded in making "Autumn Leaves" a great success.

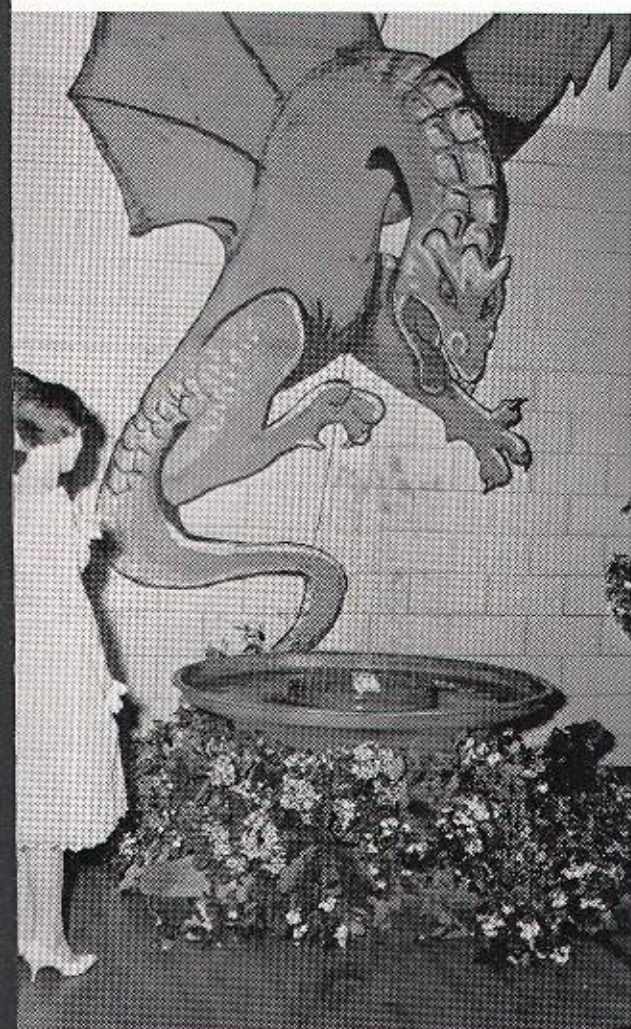

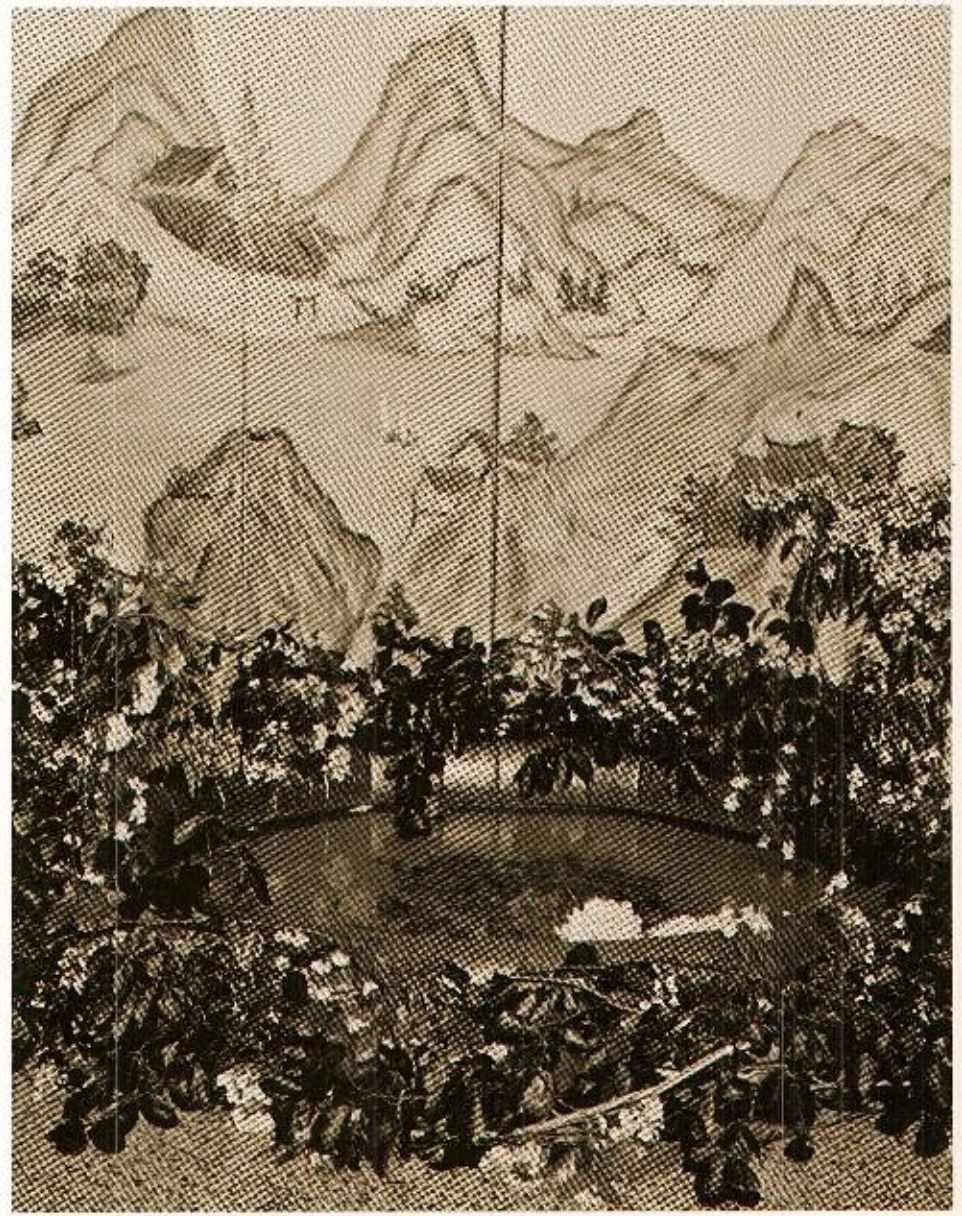

The varied talents of the Class of '64 were combined to present an Oriental setting for the Senior Prom. Japanese lanterns, flowers, and a dramatically lighted fountain provided the mystical background for a memory that will be recalled years afterward.

Prom

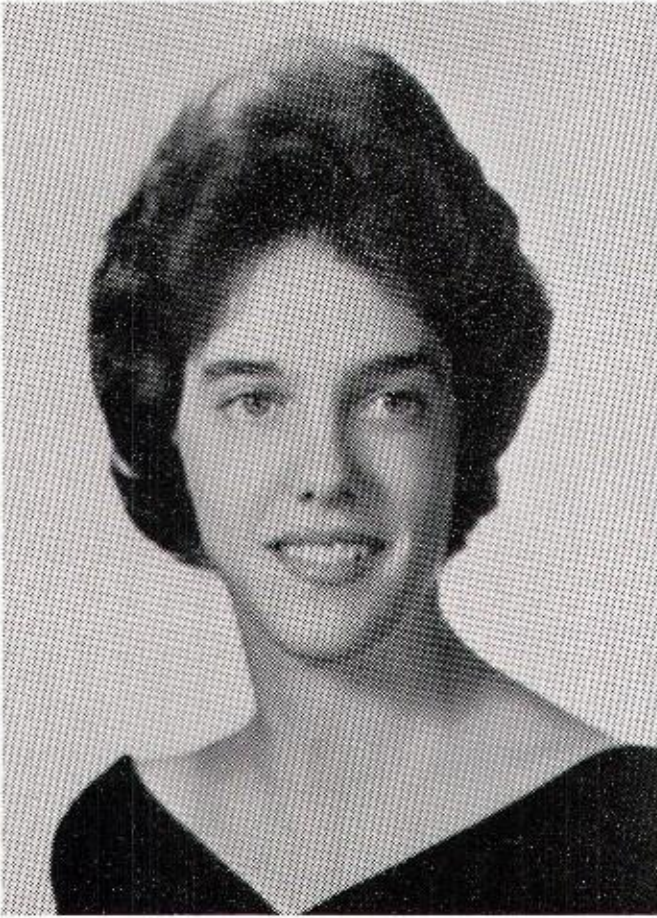

Sadie Hawkins Dance

The Sadie Hawkins Dance was a very successful activity, sponsored by the Junior Class. The turn-about dance was attended by senior high students in hill-billy costumes while decorations included hay and L'il Abner sketches.

Be good, if you can't be good be
 careful, if you can't be careful name
 it after me. School stinks and
 I'm glad to get out of it for this
 summer. Someday fifty years
 from now you will read this
 and say "Was that that big guy that
 lived down the street." Well good luck
 and I know you will go far. See you
 at the senior prom.

Marge,
 No one as the
 greatest girls I
 have ever will
 and hope we'll
 always be friends.
 Remembers all the
 good times we had
 singing, dancing, and
 laughing in P.E. and
 the halls. Good luck
 and keep a cool head.
 Love ya,
 Estee (Navy)

Marge,
 I wish you all the
 success in the world.
 You are one of the sweetest
 girls I've ever known and
 stay as sweet & thoughtful
 as you are. Lots of luck
 with Richard.
 Love you,
 Bonnie

MARGE,
 BEST WISHES TO A REAL
 GREAT GAL! REMEMBER

Marge
 so one of
 the girls I've ever
 known (best of luck)
 always love you
 sweet (Good luck)
 P.S. God bless you
 and

Marge,
 we've had alot
 of talks + last year
 you helped me alot
 with Roy! Take care
 of Jon. Good luck always
 God's a wonderful girl
 Love ya,
